

The Yun Family's Ninth Child is an Imp! Chapter 1495

Seeing that they were hesitating, Yun Chujiu did not rush them. She stood there calmly and said with a smile, "Take your time to think about it. There's no rush. Anyway, I've never heard of anyone who is in a hurry to die."

The people of the Nether World Hall were quickly divided into two factions. Some people thought that Yun Chujiu was just lying and killing her was enough. Others thought that what Yun Chujiu said was true and could not be rushed forward, otherwise, they would lose their lives.

The people of the two factions were unable to reach a consensus, and the situation was in a stalemate.

Yun Chujiu took advantage of this time to constantly plan in her mind how to escape. She definitely could not beat them in a fight. Not to mention that she was only at the fifth level of the Spirit Saint Realm, even a first level spirit paragon would not be able to deal with so many people.

Yun Chujiu thought about it and could only take the opportunity when they were not paying attention to break out of the encirclement and run for her life. She was still confident in her movement technique. When she encountered a favorable terrain, she could take the opportunity to escape. Yes., let's do it!

As Yun Chujiu thought of this, she suddenly pointed at the sky. "Look! Hui Ji!"

The people of the Nether World Palace were arguing non-stop. When they heard Yun Chujiu's words, they subconsciously raised their heads to look at the sky. Yun chujiu took this opportunity to leap forward suddenly. She rushed out of the encirclement and ran forward quickly.

It was only then that the people of the nether world palace realized that they had been tricked. They were so angry that they gritted their teeth and chased closely behind her.

"Damn it! It's all your fault. All of you are as timid as mice. If you had rushed up just now, you would have killed this B * tch long ago!"

"Blame us? If you really dared to attack, why didn't you? Weren't you afraid that Yun Chujiu would have some secret tricks up her sleeve?"

"That's right. You Don't have the guts to blame us! If you have the ability, you can fight Yun Chujiu one-on-one later! She Won't torture you to death!"

..

"Enough! All of You Shut Up! Hurry up and capture Yun chujiu for the proper business!"The leader was so angry that he was twitching. Who the hell are you? Why are you still speaking up for Yun Chujiu?

Yun Chujiu ran all the way and realized that the people behind her were still quite a distance away from her. She could not help but heave a sigh of relief. At this speed, as long as she found a dense forest or something, she would be able to get rid of them.

At this moment, dozens of people came in front of her. When Yun Chujiu saw their clothes, she felt a buzz in her head. They were from the Netherworld Palace again!

It's over! ! She was afraid that this time, she was really going to die. There was a wolf in front and a tiger behind. Both sides were a bottomless abyss. was she going to jump off the cliff? !

Wait a minute, jump off the cliff?

Yun Chujiu's eyes lit up. She had the help of the sticky silk. Yun chujiu quickly took out the sticky silk and climbed down the cliff.

However, this fellow had overlooked a very important problem. The last time at the Crimson Cloud Valley, the cliff was shrouded in clouds, so when she climbed down, no one noticed her. However, this time., the cliff was not covered by clouds at all. The two groups of people soon discovered Yun Chujiu, who was hanging on the cliff and climbing down.

The people of the nether world palace began to attack Yun chujiu with their spiritual power. Yun Chujiu was really unlucky!

She was a living target hanging on the cliff. Although she had a defensive spiritual weapon to support her, it would not take long for her spiritual weapon to be completely exhausted.

Yun chujiu looked down the cliff. She was still a few thousand feet above the ground. She reckoned that before she reached the bottom of the cliff, her defensive spiritual weapon would be completely exhausted. The worst part was., some of the people of the Hall of the Netherworld had already put down their ropes and started to climb down. Even if Yun chujiu reached the ground, they could immediately surround and attack her.

Yun Chujiu's little face twitched. There was no way out for her. was there really no way out for her?
