

The Yun Family's Ninth Child is an Imp! Chapter 1496

No door to enter the ground?

Wait, although she had no door to enter the ground, there was still a door to enter the cave!

Yun chujiu crawled to a slightly sunken area and pulled Xiao Hei out.

Xiao Hei began to dig a hole and soon dug out a cave that could accommodate Yun Chujiu. After Yun Chujiu hid in it, she let out a sigh of relief. In this cave., at least she could avoid the attacks from above. The people of the Netherworld Hall would not be able to kill her in a short time.

The people of the Netherworld Hall were dumbfounded!

Damn!

Why did that wretched girl suddenly disappear?

"Hall Master Li, Yun Chujiu has entered a cave!"The assassin who had already descended to the ground shouted.

What?

She had entered a cave?

How could there be a cave on the cliff?

The people of the Nether World Hall were at a loss of what to do. As Yun Chujiu was hiding in the cave and her spiritual power could not be used to attack, there was no way to harm Yun chujiu at all.

Hall master Li had no choice but to let his men climb down the rope and enter the cave to kill Yun Chujiu.

The eight killers were climbing down the rope when they saw Yun chujiu say with a mischievous smile on her face, "Aiyo, are you here to die? Then I'll send you on your way!"

Yun chujiu waved her hand repeatedly, and the purple lightning instantly broke the ropes of the eight assassins. The eight of them cried out in shock as they fell down. Although the assassins below helped to push them away, reducing a part of their strength.., they still fell to the ground half-dead.

Yun chujiu shouted arrogantly in the cave, "Little Things, why don't you continue to climb down? I Can't Kill You! You Want to kill me? Dream On!"

The people of the Nether World Hall were so angry that they gritted their teeth, but they couldn't think of any good idea. Sending people to climb down was definitely not going to work, and climbing up was even more impossible. The Little Brat could easily take their lives.

"Hall Master Li, what should we do now? Are We just going to watch Yun Chujiu fail to catch us?"

Hall master Li frowned and thought for a while, then he smiled sinisterly, "Just let her show off for a while. When the sky turns dark, we can secretly climb down again. I don't believe that she can keep staring at us without sleeping."

As night fell, Hall master Li sent eight more people to secretly climb down the cliff. They planned to sneak close to Yun Chujiu's cave under the cover of the night.

At this moment, with Yun Chujiu's Cave as the center, the surrounding area was as bright as day. Yun Chujiu's little head poked out.

“Yo, a mouse is coming out of the cave as soon as the sky turns dark? It’s a good time to use my little nine to strike the whack-a-mole! I’ll strike! I’ll strike! I’ll strike! I’ll strike! I’ll strike! I’ll strike! I’ll strike! I’ll strike! I’ll strike!”

The eight people were really unlucky!

The rope was cut off by Yun Chujiu, and they fell down while screaming. The people below were all scared silly, and they couldn’t react for a moment. They could only watch as the eight people fell to their deaths!

Hall master Li was so angry that he was twitching. That damned brat! There was actually a luminous pearl!

The two sides were in a stalemate. The people of the Netherworld Hall couldn’t kill Yun Chujiu, and Yun Chujiu couldn’t escape either.

“Hall Master Li, can we only stand guard like this? This is too F * cking depressing! Yun chujiu is right in front of us, but we can’t kill her!”

“Yes, please think of a way. Dragging this on is not a way!”

..

Hall master Li frowned. He wanted to kill Yun Chujiu, but the smelly girl was hiding in the cave in the middle of the cliff. There was no way to get close, let alone kill her.
