

## The Yun Family's Ninth Child is an Imp! Chapter 1497

Just as hall master Li was frowning, a subordinate came to report, "Hall Master Li, we have captured a few people. From the looks of it, they should be students from the Tian Yuan Academy. Do you want to kill them or keep them?"

Hall master Li's heart moved, "Bring them here."

Hall master Li sized up the seven people who were captured. They were all wearing the Tian Yuan Academy's uniform. He sneered and asked, "What are your names? What grade are you in?"

Six of them did not say a word, however, a fatty said loudly, "I'll talk, I'll talk. My name is Wu Heng. I'm from the fourth grade Tian Zi class. The three of them are also from the Tian Zi class. Those three are from the Xuan Zi Class! Sir, I've already said it. Just let me go!"

Hall master Li snorted coldly, "Let you go? On what basis do I let you go?"

Wu Heng's forehead was covered in cold sweat, he rolled his eyes and said, "My Lord, Yun Chujiu and I are enemies! She often bullied me in Tian Yuan Academy and almost caused me to be expelled! The enemy of the enemy is a friend, so, so, please let me go!"

“Wu Heng! You cowardly Scum! Bah!” A male student scolded angrily.

Wu Heng shouted fiercely, “I’m not wrong. That B \* Tch Yun chujiu framed me for pulling out the tail feathers of the red-beaked long-feathered crane, causing me to take the blame and almost get fired. I Can’t wait for that B \* Tch to die a hundred times!”

“Oh right, sir, the three of them are in the same class as Yun chujiu, especially that Nangong luoyue, who is also the B \* Tch’s deskmate. Perhaps in the future, when you meet Yun Chujiu, you can use her to blackmail Yun Chujiu!”

Nangong Luoyue was so angry that she gnashed her teeth. “Wu Heng, you shameless scum! You will die a horrible death!”

Although Wu Heng was a little guilty, he thought about it. If one doesn’t do one’s best, the heavens will punish the earth. Furthermore, Yun Chujiu, that B \* tch, deserved to die!

Hall master Li, on the other hand, laughed loudly. He was worried that he wouldn’t be able to kill Yun Chujiu, but he didn’t expect the hostage to come to his doorstep! He could use these few people to force that B \* Tch Yun Chujiu to come out of the cave. As long as she came out of the cave, she would definitely die!

Hall master Li sent people to bring Nangong Luoyue and the others to the bottom of the cliff from a few miles away. He also sent a portion of people to stay on the top and climb to the bottom of the cliff.

“Yun Chujiu, look who we have captured. I heard that these are all your good classmates. Among them, Nangong Luoyue is your deskmate?”

Yun Chujiu’s heart sank. She stuck her head out and looked down. Sure enough, there were a few students of Tianyuan Academy who were controlled by the people of the Nether World Hall, and Nangong Luoyue was one of them.

Hall master Li saw Yun chujiu stick her head out and continued, “If you don’t want them to die, then obediently climb down from the cave. Otherwise, I won’t leave any of these people alive.”

Wu Heng also shouted from the side, “Right! Yun Chujiu, you B \* TCH, if you don’t come out, they will all die! Aren’t you the Heaven’s pride of the Tian Yuan continent? Aren’t you the Tian Yuan’s three pearls? Are you going to just watch them be killed?”

Yun Chujiu’s eyes deepened. There was still such a B \* Stard involved? She really deserved to die!

She definitely could not go out. Once she went out, not only would she die, but these people would also die. However, if she did not go out, the people of the Netherworld Hall would most likely start a knife fight with these people!

Although she did not have a deep relationship with them, I did not kill Bo Ren, but Bo Ren died because of me. Moreover, there was still Nangong Luoyue inside. What should she do?
