

The Yun Family's Ninth Child is an Imp! Chapter 1498

Hall master Li saw that Yun Chujiu did not make any movements. He signaled with his eyes and an assassin stabbed a student from the heaven class. That student immediately screamed.

“Yun Chujiu, if you still don't come down, I will keep stabbing them with my sword. Do you have the heart to let them suffer because of you?” Hall master Li said viciously.

Yun Chujiu's hands were tightly clenched together. Calm down, she must calm down now. She must think of a good way to get out, or else everyone would die.

Hall master Li saw that Yun Chujiu still did not come out, and signaled for the assassins to continue stabbing. The students of Tianyuan Academy cried out in pain, but the parts that the assassins stabbed were not fatal, so they would not die for a while.

Wu Heng was so frightened that his forehead was covered in sweat. He felt that he had to make a contribution, or else he wouldn't be able to live, thus, he said, “Sir, although these people are Yun Chujiu's classmates, they don't have as deep a relationship as Nangong Luoyue and Yun Chujiu. Why Don't you take care of that Nangong Luoyue properly? That Slut Yun chujiu naturally wouldn't be able to endure it.”

Hall master Li's eyes flashed, this Idiot's words made sense. “Yun Chujiu, I didn't expect you to be so cold-hearted. I don't know if you are willing to part with this Nangong Luoyue. I'll count to ten. If you don't come out, I'll send someone to strip her of her clothes! “If you don't come out, I'll reward this little girl to my brothers!”

Nangong Luoyue was so angry that she was trembling. “Wu Heng, and all of you will die a horrible death! Little Jiu, don’t bother about me. At worst, I’ll just treat it as if I’ve been bitten by a dog! It’s just a smelly skin. If they are willing to be tormented, then let them be!”

Yun Chujiu’s heart shook violently when she heard Nangong Luoyue’s words. She never thought that the usually gentle and weak nangong luoyue would actually have such a backbone at such a critical moment. She was even stronger than those male students.

Hall master Li began counting. When he counted to ten, an assassin took off Nangong Luoyue’s outer clothes. Even though Nangong Luoyue had already mentally prepared herself, she was still extremely embarrassed and indignant. Her lips were even bleeding from her bites.

Yun chujiu was extremely resentful of her own incompetence. She had relied too much on external forces. Once she couldn’t use the talismans and puppets, she would be nothing!

What should she do? If Sister Luoyue were to be spoiled like this, she would never be able to forgive herself for the rest of her life!

“Stop! Give me two hours to think about it. After all, this concerns my life! If you don’t agree, HMPH, then you can go ahead and attack. After all, no one’s life is more important than mine!” Yun Chujiu decided to delay for a period of time.

Hall master Li rolled his eyes. In any case, he was not afraid of Yun Chujiu playing any tricks with the hostage in hand. If she really pushed it, she might really not care about the lives of these people anymore.

Therefore, he said viciously, "Alright, I'll give you two hours. If you still don't come down, HMPH!"

"Don't worry, I'll give you an answer in two hours. I'm a very kind person. I usually won't let people die because of me."

The corner of Hall Master Li's eyes twitched. He had to admit that this Yun Chujiu was really thick-skinned. Even at this time, she still didn't forget to praise herself.

Yun Chujiu retreated into the cave and released the three Xiao Heiniaos. The four of them gathered together to think of a way.

"Do you have any good ideas?"

"Master, why don't we fight them to the death!" Xiao Hong said.

“You Idiot! There are more than twenty people under them, and they have hostages. We have no chance of Winning!”Xiao Heiniaosaid disapprovingly.
