

The Yun Family's Ninth Child is an Imp! Chapter 1499

It was almost two hours, and the four of them had yet to come up with a safe plan.

Yun chujiu gritted her teeth. "Since there's no other good plan, then we can only do this. In a while, after we go down, what do you do..."

"Master, this plan is still a little risky. Otherwise, you shouldn't go down. You're not familiar with them anyway," said Xiao Hong Hu.

"Sigh, although I'm not the kind of person who would sacrifice myself to help others, Sister Luoyue will take care of me no matter what. Moreover, I can't bear to watch them humiliate sister Luoyue." Yun chujiu sighed and said.

Although Xiao Hong felt that her black-hearted master was a little silly, she inexplicably felt more at ease in her heart. Her black-hearted master would do this for Nangong Luoyue. If she was in danger in the future., her black-hearted master would definitely not abandon her.

"Yun Chujiu, two hours have passed. Have you considered it? If you still don't come out, I will get someone to continue giving this little beauty clothes!" Hall master Li said sinisterly.

Yun chujiu poked her head out from the cave and said, "If I go down, will you let them go? Swear on your inner demon oath. If you swear on your inner demon oath, I will go down."

Hall master Li thought that these people would be of no use other than to blackmail Yun Chujiu, so it didn't matter if he let them go. Therefore, he swore on his inner demon oath according to Yun Chujiu's words.

"Yun Chujiu, can you come down now?"

"I have another condition. That is, you cut off that Wu Heng's tongue. After you cut it off, if I don't go down, I will be struck by lightning and die a horrible death."

Hearing Yun Chujiu's words, Wu Heng was so scared that he almost sat on the ground, he hurriedly said, "Hall master Li, don't listen to that B * Tch's nonsense! She, she must be up to something, you can't fall for it! I, I am still useful, I can help you to deceive more students of Tian Yuan Academy!"

Hall master Li's eyes narrowed, it was obvious that he was a little hesitant.

"Hall Master Li, if you can't bear to part with this fool, then forget it. You Can't even satisfy such a small condition of mine, I'd better not go down." Yun chujiu retracted her body that had already stretched out.

Hall master Li weighed it for a moment, as long as he killed Yun Chujiu, it would be a first merit. As for the other students from the Tian Yuan Academy, they were dispensable. Thus, he gritted his teeth and said, "Men, cut out his tongue!"

Wu Heng was instantly scared out of his wits. "Hall Master Li, No, you can't do this! I've helped you guys a great deal! Please spare me!"

Wu Heng was about to hug Hall master Li's leg with tears and tears streaming down his face when Hall master Li impatiently kicked him away. Then, he heard Wu Heng Howl like a pig being slaughtered. Finally, he fainted from the pain.

"Yun Chujiu, can you come down this time? If you dare to trick me, none of these people will survive!" Hall master Li said viciously.

"Don't worry, don't worry. I always keep my word. I'm warning you, although I'm ready to die, I don't want to fall to my death because it's too ugly! "If you attack me when I climb down, I'll climb back into the cave."

"Humph! You have quite a lot of demands. Climb down! We won't attack you Midway." Hall master Li snorted coldly! He thought that this smelly girl must be up to something. However, we have hostages and so many people. Are We afraid that you'll run away? !
