

The Yun Family's Ninth Child is an Imp! Chapter 1504

When the people of the Netherworld Hall on the shore saw that Yun Chujiu had actually jumped off the boat, they couldn't help but be overjoyed. Had this wretched girl lost her mind? She had actually walked right into the trap!

She was definitely going to die this time!

Hall Master Yu and the others were experts in the water. Moreover, they had the help of the aquatic spirit beasts. Killing Yun Chujiu was simply a piece of cake.

Hall Master Yu and the others thought the same. When they saw Yun chujiu jump down, they couldn't help but twitch their lips. They thought to themselves, this Yun Chujiu isn't as smart as the rumors say. She's simply extremely stupid. If she were to stay on the boat., they would still need to spend some effort to kill her. They didn't expect her to jump off the boat voluntarily and die. That's great.

They saw that Yun Chujiu did not come out of the water to catch her breath. They could not help but wonder, could it be that the stinky girl had drowned?

An assassin said to hall master Yu, "Hall Master Yu, I'll go to the front to take a look. I think that stinky girl might have drowned!"

Hall master Yu nodded. The assassin got his bloodthirsty catfish to speed up and swam towards the place where Yun Chujiu had fallen into the water.

When the assassin was searching for Yun Chujiu, the bloodthirsty catfish he was riding started to roll violently. The assassin was caught off guard and fell into the water.

Only then did he realize that the tail of the bloodthirsty catfish had been blown into a bloody mess. While he was in a daze, several small lightning bolts were swimming towards his vital parts.

The assassin was so scared that he quickly dodged. Unexpectedly, those small lightning bolts actually turned around and chased after him!

What the hell was this? !

Although some people could use intermediate level materialization techniques to transform their spiritual power into aquatic demonic beasts, only the aquatic demonic beasts formed by advanced level materialization techniques had intelligence. Yun Chujiu's lightning bolt was obviously just lightning, how could it turn around?

Yun chujiu did not have the time to let him think clearly. Not only did the purple lightning bolts shoot out frequently, but they also shot out several small purple needles. However, she realized that the speed of the small purple needles was far from the speed of the purple lightning bolts, she could only continue to shoot purple lightning to attack the assassin.

The assassin was momentarily stunned. In addition, the blood of his bloodthirsty catfish dyed the surrounding river red and obstructed his vision. He was struck by the purple lightning and was actually killed just like that.

Once the assassin died, the bloodthirsty catfish naturally died as well. The corpse of a man and a fish floated to the surface of the water.

Nangong Luoyue and the others were stunned!

The people from the Nether World Hall by the shore were stunned!

Hall Master Yu and the others were also stunned!

How, How was this possible? In less than fifteen minutes, that assassin and his spirit beast were actually killed by Yun Chujiu? This was impossible!

“Hall Master Yu, this, could it be that Yun chujiu is very powerful in the water?”An assassin asked with some unease.

“That shouldn’t be the case. I think there might be a very powerful aquatic demonic beast ahead. Not only Li Yuan, but Yun chujiu might also have been eaten by that demonic beast. Everyone, be careful and dive into the water to see what’s going on.”Hall master Yu said.

When everyone heard this, they all jumped into the water.

They saw a figure swimming rapidly towards them from afar. Who else could it be but Yun Chujiu with a Smile? !

“Aiya, you are much dumber than Hall Master Li. You actually took the initiative to enter the river to die? “If you know what’s good for you, quickly scam back to the shore and I will spare you. Otherwise, that person just now will be your end. I will let you all feed the big bastards in the river!”Yun Chujiu said arrogantly.
