

The Yun Family's Ninth Child is an Imp! Chapter 1513

"Damn girl! You were just lucky! This time, let's see where you can run to! Let's Go! Killing her will be a great achievement. Your promotion and wealth are just around the corner!" Hall master Zhu said excitedly.

The other seven people swarmed up and surrounded Yun Chujiu in the middle.

"I'm warning you. My reinforcements will be here soon. Aren't you afraid?" Yun Chujiu said with a smile.

"Don't listen to her nonsense. Kill her first!" Hall master Zhu was afraid of being fooled by Yun Chujiu, so he directly started to besiege her.

Yun Chujiu summoned eight immortal swords to protect herself. Then, she began to release the little pig of Spirit Energy, and the two sides engaged in a battle.

After fifteen minutes, Hall master Zhu was so angry that he gritted his teeth. This stupid girl was really hard to deal with. The eight of them couldn't take her down in a short time, but she couldn't hold on for long.

Right at this moment, Yun Chujiu released a fiery red fox. That Fox howled and howled. Hall master Zhu and the others were slightly dazed. At this moment, six people jumped out from the dense forest, they attacked their backs with a wave of spirit energy.

Yun Chujiu's spirit energy piglet and small purple needles also shot towards them. The people of the Netherworld Hall were completely unprepared for the sneak attacks of other people. They were easily ambushed by Nangong Luoyue and the others. One by one, they cried out in pain.

With the help of Nangong Luoyue and the others, coupled with the success of the sneak attack, Yun Chujiu's side quickly gained the upper hand. Hall master Zhu's subordinates all died one after another, and Hall Master Zhu's spirit energy was also restrained by Yun Chujiu.

Yun chujiu took out a large kitchen knife and rubbed it against hall master Zhu's face. "I'll first use your thick skin to sharpen the knife, and then cut off your flesh piece by piece. Don't you think it's very interesting?"

Hall master Zhu's face was pale. "Yun Chujiu! A gentleman can be killed but not humiliated! You better make it quick!"

"Make it quick? In your dreams!" Yun chujiu took out an oil paper bag from her storage ring, then, she said, "See? This is salted salt noodles. After I cut you, I'll sprinkle some salted salt noodles on it, so that your wound won't be infected. Am I a very kind person?"

Kind?

You're the Devil! You're a pervert!

Hall master Zhu was filled with hatred and fear, and he couldn't help but tremble.

"Hey, what are you trembling for? Do you think the salty salt noodles are bad? It's okay, I still have chili noodles here. When I sprinkle it on your wound, I'll make sure you feel really good!"

"You! You! You're not a human! You're a pervert!" Hall master Zhu cursed.

"That's right, I'm a pervert!" Yun Chujiu said as she took out a large kitchen knife and cut hall master Zhu's face. After that, she sprinkled a layer of salty salt on his face. Hall master Zhu immediately screamed like a pig being slaughtered.

Nangong Luoyue and the others could not help but shiver. The six of them silently prayed in their hearts. In the future, they must never, ever offend Yun Chujiu. They must never, ever offend Yun Chujiu..

"Alright, I'll give you a chance. Tell me about your Netherworld Hall's plan this time. If I'm satisfied, I'll give you a quick death. Otherwise, I'll cut you one by one. Moreover, I have medicinal pills to treat your injuries. I guarantee that you won't die for a while."

Hall master Zhu gritted his teeth and said, "Don't even think about it! I Won't betray the Netherworld Hall!"

"Alright! You forced me to do this, so I won't be polite!" Yun Chujiu cut hall master Zhu's face again and then sprinkled salt on it.

After repeating it a few times, Hall master Zhu couldn't take it anymore. "Alright, I'll talk, I'll talk. Will you really kill me after I'm done? Will you give me a quick death?"
