

The Yun Family's Ninth Child is an Imp! Chapter 1514

"Of course. I'm a man of my word. If I lie to you, I'll let the Heavenly Lightning Strike Me to death!" Yun chujiu said confidently. Damn it, if only the heavenly lightning struck me. I miss the feeling of being struck by lightning so much.

"The main purpose of entering the burning sky mystic realm this time is to kill you. Of course, it's better if we can capture a few useful hostages along the way. I've already said it all. Kill me!"

"Ah, what you've said is just as I've guessed, so what you've said is of little value. Tell me more about the secret of the Netherworld Palace. It would be best if the fewer people who know about it, the better. For example, does that Vice Palace Master Liu have a mistress? For example, does that Si tushi have an illegitimate child?" Yun Chujiu's eyes flashed with the light of gossip as she asked.

The corners of Nangong Luoyue and the others' eyes twitched violently. 'you spent so much effort to ask such a boring question. Is It really alright?'

Hall master Zhu was also dumbfounded!

'Is This Yun chujiu crazy??' 'you didn't ask me about the core secrets of the Netherworld Hall, yet you actually asked me such a boring piece of gossip?'

However, he didn't dare to keep it a secret. Moreover, such gossip wouldn't do any harm to the Netherworld Hall, so there was no harm in telling it.

“I’ve never heard of Si Tushi having an illegitimate child. However, he is very lecherous. I’ve heard that he has many concubines.” Vice Palace Master Liu had never heard of him having an affair with anyone. Usually, there were very few women who got close to him. “I’ve told you everything I know. Kill Me Now!”

Yun chujiu curled her lips. “The news you’ve told me is not explosive at all. It’s a bad review! If you can’t think of any rumors that interest me, I’ll have no choice but to continue to cut you with my knife. This time, I’ll let you try the taste of the chili noodles.”

“Wait! Wait! I’ll talk! I’ll talk! I heard that Vice Palace master Liu used to like Sheng NV, but Sheng nv didn’t like him!”

Yun Chujiu’s eyes immediately lit up. “Aiyoo, I’m interested in this news. Keep talking, Keep Talking!”

“Sheng NV’s father is the old palace master. Vice Palace Master Liu has always been appreciated by the old palace master. The Old Palace Master also intends to Betroth Sheng NV to vice palace master Liu.”

However, something unexpected happened. The old palace master suddenly died. Everyone thought that Sheng nv would marry vice palace master Liu after dealing with the old palace master’s funeral.

They didn't expect Sheng NV to ask for at least three months to be married in the name of filial piety, so Vice Palace Master Liu couldn't force her to agree. They didn't expect Sheng NV to suddenly disappear three months later."

"Disappeared? That's not right. Didn't Your Sheng nv appear at the scene of the competition some time ago?" Yun Chujiu asked, puzzled.

"After Sheng NV disappeared, vice palace master Liu sent people to search everywhere, but they never found her. Eleven years ago, Sheng NV was found, but... but she was brought back to the Netherworld Hall with a man.

"I heard that at that time, Vice Palace Master Liu was so angry that he wanted to kill the SAINTESS and that man. I don't know what the Saintess said later, but the SAINTESS was still the Saintess of the Netherworld Palace." "Even that man has been living in the Saintess Palace of the SAINTESS."

Yun chujiu blinked her eyes. "Aiyo, that vice palace master Liu Can even tolerate being cuckolded?" "TSK tsk, that Saintess probably has something on Sheng NV, or vice palace master Liu wants something from the SAINTESS.". What a melodramatic gossip plot! "Right, where was Sheng NV and her lover found?" "..."

"It's said to be in a low-level interface, it seems to be the Qing Xuan Continent."

“Qing Xuan Continent?” Yun Chujiu’s heart skipped a beat, and she asked, “Then I don’t understand. Since it was found in the Qing Xuan Continent, why didn’t Vice Palace Master Liu Use that man’s family to threaten the Saintess?”
