

The Yun Family's Ninth Child is an Imp! Chapter 1521

The giant aquatic dragon saw that Yun chujiu had already discovered something amiss, it could only tell the truth. "Those spirit tools have been scattered by that black-hearted old thing. If someone greedily touches them, they will fall into an illusion. Then, I can easily kill the person who came in."

Yun Chujiu took out a rolling pin and whipped at the giant aquatic dragon. "Damn it! You're still playing tricks on me! If I hadn't discovered the clues, would you have taken the opportunity to retaliate the moment I was poisoned? "I'll let you play tricks, I'll let you play tricks, and I'll beat you to a pulp!"

The giant aquatic dragon coiled its body in a circle and protected its head. It looked like a dead pig that wouldn't be scalded by water. In any case, its body was strong, and its skin was rough and thick, allowing Yun chujiu to thrash it.

Nangong Luoyue and the others lit a candle for the giant aquatic dragon. It actually wanted to scheme against little jiu. You're just looking for trouble! Damn it!

Yun chujiu thrashed for a long time before her anger subsided. She then asked, "Other than these spirit tools, where are the other treasures of the master here? If you don't tell me, I'll make you into snake soup!"

The giant aquatic dragon didn't expect Yun chujiu to even guess this, it could only say, "That black-hearted old man said that when his disciple comes, he will definitely bury him, so he put his storage ring under his butt. If his disciple doesn't bury him, he won't be able to get that storage ring."

Yun chujiu curled her lips. “Looks like the owner of this cave is really paranoid! But, little loach, how can you tell if the person who came is his disciple?”

Giant Aquatic Dragon took out a portrait from his storage space. “The old bastard gave me a portrait and said that this is his disciple.”

Yun chujiu took the portrait and looked at it. There was a middle-aged man on it. He was not bad looking, but there was a treacherous look in his triangular eyes. No matter how she looked at it, he did not seem like a good person.

However, it made sense. The owner of this cave did not seem like a good person. If he was so suspicious, he probably did not do anything good when he was alive!

Seeing that Yun Chujiu was silent, the giant aquatic dragon felt a little uneasy. This little pervert would not just take the spirit tool and storage ring and leave, right? If that was the case, it would break the oath, and it would be struck by lightning!

“Little... little fairy, how... How are you going to help me break the Heart Demon Oath?”The giant aquatic dragon completely lost its initial arrogance and asked pitifully.

“How did you swear the Inner Demon Oath back then? Learn it from me word by word.”

“By the heavens, I, giant aquatic dragon, hereby swear that I will do my best to protect this cave abode. Other than the disciples of forefather Hongyuan, I will kill anyone who touches those spirit tools. If you violate this oath, the heavens will strike you down with lightning.” Giant Aquatic Dragon repeated the oath.

Yun chujiu rolled her eyes. “Are you sure that you didn’t miss a single word?”

Giant Aquatic Dragon nodded. “Not a single word out of place. That’s how I swore in my heart back then.”

“That’s easy then! That skeleton must be ancestor Hongyuan, right? Isn’t it fine as long as he’s his disciple? Then I’ll take him as my master! As his disciple, isn’t it only right and proper for me to take these things away? !”

After Yun Chujiu finished speaking, she pretended to say to the skeleton, “Master, this disciple of mine who just came out of the oven has bowed to you! “These spiritual artifacts and the things in the storage ring will be your gift to me. I will bury you properly. As for the person in the portrait, it is obvious that he is not a good person. If there is a chance, I will help you clean up your house. In the future, you will only have me as your precious disciple!”
