

## The Yun Family's Ninth Child is an Imp! Chapter 1523

The giant aquatic dragon fell to the ground with a thud and scratched the ground with its huge claws. It wished that it could turn back time. If it could turn back time, it would rather starve to death than eat this little pervert's cabbage!

"Little, Little Fairy, how do you repay this debt with work?" Although the giant aquatic dragon wished that it could slap Yun Chujiu to death, it could only ask pitifully.

"Before I leave the mystic realm, I will naturally let you go! Don't worry, I Won't take a fancy to a weak demonic beast like you! "Even if you beg me, I Won't take you as my spiritual pet, you little loach!" Yun chujiu said with disdain.

The Giant Aquatic Dragon really wanted to roar, I'm the Blue Dragon! Blue Dragon! Not some little loach! Moreover, I beg you? Unless I'm crazy, how good would it be to be free and unfettered? Who would be willing to be a cultivator's spiritual beast! HMPH!

However, the feeling of being looked down upon by others was still very unpleasant. Damned girl, just you wait, I'll let you see how powerful this jiao-dragon is!

Yun chujiu put the giant aquatic dragon into her spiritual beast pouch and released Xiao Hei. "Let's Go! We'll continue to search for treasures! We'll be rich soon!"

Although Nangong Luoyue and the others were curious about how Yun Chujiu's spiritual beast pouch could hold a demonic beast that did not recognize its owner, they tactfully did not ask. Xiao Hei had too many secrets, so it was better for them to turn a blind eye.

Although Xiao Hei was an expert at digging holes, it was not easy to find an ancient cultivator's cave abode. After another day, Xiao Hei did not find a new cultivator's cave abode.

Just as Yun Chujiu was feeling a little disappointed, more than twenty people came from the opposite side. Someone exclaimed, "Yun Chujiu! It's Yun Chujiu!"

Yun Chujiu's eyes darkened. She was worried that she did not have any spirit stones in her account, but someone actually took the initiative to send money. This was great!

The more than twenty people who came were also from the Netherworld Hall. When they saw that Yun Chujiu and the others not only had fewer people, but also had low spiritual power, they were overjoyed. This was a good opportunity to make a contribution. As long as they killed this Yun chujiu., vice Palace Master Liu would definitely reward them greatly.

The people from the Netherworld Palace immediately surrounded Yun chujiu and the others in the middle. The leader was a man with a croaky voice, he said arrogantly, "Yun Chujiu? Humph! You were very glorious a few days ago! Our Netherworld continent was humiliated by you until we lost all our face. Today, it's time to settle the score. I will send you to Hell immediately!"

Yun chujju smiled crisply. Her smile made the people of the Netherworld Hall feel goosebumps. Was this Yun chujju crazy? Why was she still smiling so happily when she was surrounded by them?

“I’m in a good mood today. I’ll give you a chance. Hand over all the valuable things you have and I’ll let you live. Otherwise, none of you will be able to escape.”. “Let me tell you, you only have one chance. Once you pass this village, there won’t be such a shop anymore!”Yun Chujiu said with a smile.

The man with the duck’s voice sneered, “Yun Chujiu, your trick won’t work on us. Do you think you can fool us with Your Words? You’re simply wishful thinking! Go! Kill them! Leave No one alive!”

“Alright, since you’re courting death, then there’s nothing we can do. Little Loach, come out!”Yun Chujiu released the Giant Aquatic Dragon from the spiritual beast pouch.

The people of the Netherworld Hall were so frightened that their legs turned soft. Yun chujju actually had such a high-level spiritual beast?

The giant aquatic dragon vented all of its frustration from Yun Chujiu on the people of the Netherworld Hall. Its huge tail, sharp claws, and the fireballs it spat out were simply a great weapon!

The first reaction of the people of the Netherworld Hall was to run!

However, Yun Chujiu and the others were not stupid. How could they possibly give them a chance to escape. ! The members of the Hall of the Netherworld had just escaped from the giant aquatic dragon's claws when Yun Chujiu and the others pounced on them. They had no chance of escaping at all.
