

The Yun Family's Ninth Child is an Imp! Chapter 1531

Yun Chujiu felt that it would be better if this cave abode was destroyed, otherwise, it would be easy for others to find it again.

She did not let the giant aquatic dragon destroy it, because this cave abode was not within the cliff. If it collapsed, it would attract even more attention, so this fellow began to pour down large rocks and mud.

The corners of Nangong Luoyue and the others' eyes twitched violently. Little Jiu, it was understandable that you had cabbage and radishes in your storage bag, but what did you mean by carrying so many large rocks and mud?

After filling up both the upper and lower layers, Yun Chujiu began to fill up the tunnel until it reached the root of the tree.

Yun Chujiu used sticky silk to climb out of the tree. Just as she was about to lower the rope to let Nangong Luoyue and the others come up, a lightning bolt as thick as an adult's wrist struck her directly.

Yun Chujiu raised her eyebrows. Was this a lightning bolt? Qi Ling wanted to strike her to death? Was Qi Ling that stupid?

"Sister Luoyue, don't come up for now. There's a small situation upstairs. When I call for you, you can come up again," Yun Chujiu said casually.

Nangong Luoyue and the others heard the sound of thunder and Yun Chujiu's words. They became nervous. Was little Jiu going to be struck by lightning again? In the past, with Dean Huangfu's protection, would little Jiu be able to do it on her own this time?

Yun Chujiu was afraid that Nangong Luoyue and the others would be affected, so she deliberately walked a distance forward. She took out a handkerchief to wrap her hair, then sat down cross-legged and calmly waited to be struck by lightning.

Boom! Boom! Boom!

Streaks of array lightning struck Yun Chujiu's body one after another. This fellow was so happy that it was as if he was soaking in a hot spring. He thought to himself, this burning sky mystic realm really had a fortuitous encounter. After this strike, she was going to level up. Thinking about it, it was really wonderful.

"Master, can you let me absorb some heavenly lightning as well?" Xiao Heiniaoh said to Yun Chujiu with her spiritual sense.

Hearing this, Yun Chujiu placed Xiao Heiniaoh to her left. Xiao Heiniaoh spread its wings and looked like it was enjoying it.

“Master, I want to be struck by lightning too!”Xiao Mogu said timidly.

“You want to be struck by lightning too? Don’t Brag. If you get struck by lightning and flowers bloom, I Won’t Save You.”Yun chujiu curled her lips and said.

“Master, I’m not bragging. I love being struck by lightning the most!”Xiao Mogu said a little unconvinced.

Hearing Xiao Mogu’s words, Yun Chujiu put Xiao Mogu on her right. She was a little uncertain. Could this little thing really withstand the lightning?

Xiao Mogu put the mycelium into the ground and waited to be struck by lightning calmly.

Soon, a bolt of lightning struck Xiao Mogu’s mycelium. Xiao Mogu was fine and even let out a comfortable snort.

Thus, the three perverts sat in a row, looking as if they were enjoying being struck by lightning..

Qi Ling, who was secretly striking, was dumbfounded!

F * ck!

What was going on?

It was fine if that wretched girl wasn't afraid of being struck by lightning, but why wasn't even that ugly bird and Xiao Mogu afraid of being struck by lightning?

I don't believe that I can't kill all of You! I'll put in more effort!

Boom! Boom! Boom!

Two hours later, although Xiao Heiniaoy and Xiao Mogu were kept by Yun Chujiu, Yun Chujiu still looked lazy and nothing happened.

The weapon spirit of the burning sky mystic realm was obviously smarter than the other Mystic Realms' weapon spirits. Seeing that it could not kill Yun Chujiu at all, it simply stopped attacking Qi Ling.

Seeing that the weapon spirit had stopped attacking, Yun Chujiu stood up, pointed at the sky, and cursed, "Qi Ling! I know it's all your doing. If you have the ability, get out here!"
