

## The Yun Family's Ninth Child is an Imp! Chapter 1533

Yin Sulian's heart started to beat violently. Could it be that young master Wuji was waiting for her? Did he regret treating her so rudely the last time?

Young Master Wuji had always been kind to her. It was probably because he was in a bad mood the last time that he treated her that way. It must be like this!

Thinking of this, Yin Sulian squeezed through the crowd with a face full of shyness. "Young Master Wuji, are you... Are You Waiting for me?"

Xue Wuji looked at her with disgust. "Don't you understand what I said last time? It's disgusting to see you. Scram to the side!"

Yin Sulian's face flushed red. She was so embarrassed that she wanted to leave immediately, but she was not willing. Since he was not waiting for her, then who was young master Wuji waiting for? Could it be that he was waiting for Qin Mingzhu or Baili Yan?

Could it be that he had heard that your excellency had gotten together with that B \* Tch Yun Chujiu, so he was planning to rope in Qin Mingzhu or Baili Yan? Although the Gui Yuan sect and Medicine Valley's strength were not bad, their Yin family was not bad either. Why couldn't he choose her?

Many people also looked at Qin Mingzhu and Baili Yan. Although Qin Mingzhu liked di beiming in her heart, being able to be treated so well by young master Wuji, her vanity was greatly satisfied, therefore, she took a few steps forward. "Young Master Wuji, long time no see. How have you been?"

Qin Mingzhu was much smarter than Yin Sulian. She did not ask directly, but said politely. This way, she could attack, retreat, defend, and not leak a single drop of water.

Unexpectedly, Xue Wuji did not even look at her. Instead, he waved his arms and shouted loudly, "Little Sister Jiu! Little Sister Jiu! Big Brother is here to see you!"

Yun Chujiu's eyes twitched when she saw the excited Xue Wuji. Damn you, don't you know how to overdo it? By directly exposing our relationship, wouldn't everyone be able to guess that we were just acting?

However, since it was already like this, there was nothing to hide. Yun chujiu could only walk up to Xue Wuji and ask, "Big Brother Wuji, why are you here?"

"Last time on your birthday, I haven't given you a birthday present yet. This time, I've given you something good!" Xue Wuji said with a fawning expression.

Everyone was dumbfounded!

Holy shit!

This young master Wuji was a fake right?

The always handsome and domineering young master Wuji would speak in such a fawning manner?

If he had a tail, he would simply be a little mutt!

Also, he called Yun Chujiu Little Sister Jiu? If he wasn't familiar with her, he wouldn't call her that, right?

Yun chujiu called Young Master Wuji What Young Master Wuji? Young Master Wuji wasn't angry? And he had an excited look on his face? Was he crazy?

"Little Sister Jiu, let's go. I have something important to talk to Dean Huangfu about. Take Me there, I don't know the way."

The corner of everyone's eyes twitched. Young Master Wuji, is it really okay for you to lie like this? You Don't know the way? You have been in the Tianyuan Institute for three years and you don't know the way?

Yun chujiu could not expose Xue Wuji, so she could only bring Xue Wuji into the Tianyuan Institute.

Everyone looked at the backs of the two people and discussed, "Oh my God! Yun chujiu is not only the person that your Majesty likes, but also the younger sister of Young Master Wuji? This is too scary!"

"TSK TSK, Yun chujiu didn't even mention such a background. It's been almost two years since she entered the school before she announced it. She's really low-key!"

"You don't understand. She's called self-reliance. Yun Chujiu's competition in the burning sky plains shocked everyone. She only announced it after she became famous. She's not like some people who wish that everyone in the world knew about her background."
