

The Yun Family's Ninth Child is an Imp! Chapter 1534

Even though those people did not mention her by name, Yin Sulian felt that they were talking about her. She was so angry that she gritted her teeth. Damn Yun Chujiu! Since you already have an exalted master, why did you still provoke Young Master Wuji? Damn it! Slut!

Qin Mingzhu's expression was also very ugly. Although she did not like Xue Wuji, being ignored in public made her feel very embarrassed. The resentment in her heart towards Yun chujiu deepened. This SL * T had always been pretending to deceive her. She had to think of a way to get rid of this SL * t.

In just a moment, Qin Mingzhu's expression returned to normal. She walked to Baili Yan's side, she said self-deprecatingly, "Baili Yan, you and I claim to be smart people. I didn't expect to be fooled by Yun Chujiu. She clearly has a close relationship with your esteemed self and young master Wuji, yet she actually pretended not to know him. Her thoughts are terrifying! "Are you willing to be played by her like this?"

Qin Mingzhu felt that with her words, Baili Yan would definitely impulsively seek revenge on Yun Chujiu. She might also use the power of the Medicine King Valley to deal with Yun Chujiu. If that was the case, it would be great!

Unexpectedly, Baili Yan glanced at her. "Qin Mingzhu, if you don't like Yun Chujiu, you can deal with her yourself. Don't try to persuade me. Although my temper is a little bad, I'm not a fool."

After saying that, Baili Yan left.

Qin Mingzhu lost her face twice in a row. The resentment in her heart was all directed at Yun Chujiu. B * TCH, it's all because of you that I'm so embarrassed. Just you wait!

"Achoo! Brother Wuji, your admirer must be scolding me behind my back! Can't you keep a low profile?" Yun chujiu said with disdain.

"Little Sister Jiu, brother will be sad if you say that! Di beiming said what kind of woman you are in front of everyone. What's wrong with Me Calling You Little Sister Jiu?" Xue Wuji looked extremely sad.

Yun chujiu had no choice but to change the topic. "Brother Wuji, what business do you have with the Dean?"

Xue Wuji smiled cunningly. "What business do I have? ! If I didn't say that, would I be able to enter Tianyuan Academy ? Last time, we didn't even have a proper conversation. This time, we have to have a proper chat. I heard that you showed off your skills during the competition in the Burning Sky Plains?"

Yun Chujiu was immediately amused. "Brother Wuji, you don't know. At that time, Tianyuan Academy was in a crisis. I descended from the sky and turned the tide..."

Yun Chujiu's face lit up as she spoke, while Xue Wuji danced with joy as he listened. These two idiots had long forgotten about the matter of finding dean Huangfu and went straight to Yun Chujiu's dormitory.

Qin Mingzhu looked at the backs of the two of them and a vicious thought arose in her heart. Xue Wuji seemed to have a good impression of that B * Tch Yun Chujiu. If she could think of a way to make the two of them do something shameful, when the time came.., his Excellency would definitely be furious. Not only would he take care of Xue Wuji, he might even kill that B * Tch Yun Chujiu! What a good plan to kill two birds with one stone!

However, how could she achieve this goal? She had to plan properly.

After Dean Huangfu found out that Xue Wuji had come, he immediately sent someone to Yun Chujiu's courtyard to invite Xue Wuji. Although Xue Wuji was using this as a cover, he couldn't go too far. He could only follow the person to see Dean Huangfu.

Xue Wuji laughed and chatted for a while before he changed the topic. "Dean Huangfu, it's been a long time since I've returned to the Tianyuan Academy. I really miss the plants here. Therefore, I plan to stay here for a few days. You Won't not welcome me, right?"
