

## The Yun Family's Ninth Child is an Imp! Chapter 1537

Xue Wuji said carelessly, "Who knows!"! However, even if no one warned her, with her despicable methods, she still wanted to scheme against this young master? Although she wouldn't be poisoned, it would indeed take a lot of effort to find out about Qin Mingzhu

"Brother Wuji, why aren't you poisoned? Could it be that you are also impervious to all poisons like me?"Yun chujiu asked curiously.

Xue Wuji smiled smugly. "It's just a little poison. I just need to use my spiritual power to suppress it and it will slowly dissolve. It's no big deal! Little Sister Jiu, it's getting late. You should hurry back to the dormitory."

Yun chujiu blinked slyly. "I'm not going back to the dormitory. I'm going to watch a good show! Brother Wuji, aren't you going?"

Xue Wuji pursed his lips. "The ugliness of that kind of person is not worth seeing. You Can Go!"

Seeing that Xue Wuji was not interested, Yun chujiu hopped out of the courtyard and left.

Seeing that Yun Chujiu had left, Xue Wuji took out his left hand that had been hidden in his sleeve. It was already dripping with blood.

“Damn it! This damn medicine is so powerful! Fortunately, my willpower is amazing. Otherwise, I would have lost face in front of Little Sister Jiu!”Xue Wuji’s face turned red, he used the dagger to cut his hand again, and the heat in his body was slightly relieved.

At this time, Secret Protector Hua Hua walked in. “Young master, the matter has been settled. How are you? I have already interrogated Qin Mingzhu. There is no antidote for this medicine. Why don’t, why don’t I help you find a woman?”

“Humph! This young master will not touch those idiots! I don’t believe that I can’t even deal with this little poison!”Xue Wuji gritted his teeth and said.

When the secret protector Hua Hua heard Xue Wuji’s words, she had no choice but to stop talking. The young master’s habit of keeping his face was really fatal.

On the other side, Yin Sulian brought her people to the outside of Qin Mingzhu’s courtyard in an aggressive manner.

“Qin Mingzhu, Get Out Here!”! You B \* Tch! How dare you frame me like this? What are you thinking? When my sister was alive, you went against her. Now That My Sister Is Dead, you’re trying to frame me again. Is Your Gui Yuan sect preparing to start a war with our Yin Family?”

Yin Sulian cursed for a long time, but there was no movement inside. In a fit of anger, she directly pushed open the courtyard door and walked in. The boys following behind naturally could not follow her in. Only a few girls who were not afraid of trouble followed her in.

When Yin Sulian entered the courtyard, she saw that Yin Sulian's bedroom was lit up. Moreover, there seemed to be voices inside, so she kicked open the door without caring about anything else. Then, she let out a scream, and the people following behind her also cried out repeatedly.

They saw two people hugging each other on the bed. Yes, the kind that didn't have any clothes on. One of them was surprisingly one of the three heavenly pearls, Qin Mingzhu, and the other was actually Yin Xuecheng!

It was as if the two of them didn't see who came in at all, and the battle was still intense.

Yin Sulian was stunned for a moment, then she let out a cry and ran out while covering her face. The others also left the house one after another.

There were still many onlookers outside. When they saw Yin Sulian and the others running out, they could not help but ask curiously, "What happened? What happened? Where is Qin Mingzhu?"

Some of the female students said disdainfully, "Bah! I didn't Expect Qin Mingzhu to be so serious. She was actually fooling around with Yin Xuecheng! We went in, but they still continued there. How Shameless!"
