

## The Yun Family's Ninth Child is an Imp! Chapter 1538

When some of the male students heard this, their hearts started to stir. Qin Mingzhu was their goddess. She had always been dignified and elegant, but she actually had such a wild side?

Therefore, when some of them saw that the door was not closed, they simply snuck in. When they saw the scene in front of them, they were all dumbfounded. The battle on the bed was very intense, and Qin Mingzhu's beautiful figure was clearly visible, some male students' nosebleeds flowed down on the spot. There were even people who used recording stones to record the scene.

F \* ck! This Kid Yin Xuecheng was really lucky! They did not expect the two of them to have an affair! Was their goddess blind? Why would she like Yin Xuecheng?

However, everyone quickly understood that the two of them were probably poisoned. Otherwise, even if they were having an affair, they would not avoid people. Moreover, with so many people coming in, anyone who had some sense should be screaming.

Outside the courtyard, Yun chujiu activated the concealment talisman. After hearing everyone's discussion, she thought to herself, "Secret Protector Hua Hua really knows how to find a candidate. I thought he would look for that odd-job worker. I didn't expect him to actually look for Yin Xuecheng." A scumbag man and a scumbag woman were a perfect match!

At this moment, Secret Protector Hua Hua, who was being nagged by Yun Chujiu, was so anxious that she was about to hit the wall.

He and Xue Wuji had underestimated the power of the medicine. Even though Xue Wuji was soaked in ice water, he was still unable to suppress the growing medicinal effect.

Xue Wuji tried his best to suppress it with his spiritual power, but the medicinal effect was still strong. Xue Wuji's body seemed to be on fire, and even his eyes became as red as blood.

Secret Protector Hua Hua suggested to find Yun chujiu to think of a solution, but Xue Wuji refused no matter what. "Hua Hua, if... If you let little sister Jiu see me in such a sorry state, I will kill myself!"

Secret Protector Hua Hua was running around anxiously. Seeing the situation, she gritted her teeth. Since Yun Chujiu could not do it, she would find another woman! Therefore, she directly knocked Xue Wuji unconscious. After activating the concealment talisman, she carried Xue Wuji and rushed out of the Tian Yuan Academy.

The guards of Tianyuan Academy discovered the abnormality and were in a great mess. However, by the time they discovered it, secret protector Hua Hua had already carried Xue Wuji and rushed out.

Secret Protector Hua Hua carried Xue Wuji to the Blood Demon sect's residence in Void City. After asking someone to take care of Xue Wuji, she decided to go out and help her young master find a woman.

Those lowly women in brothels naturally couldn't do it, nor could women with backgrounds like Baili Yan. It was best to find a woman without a background. In that case, even if the young master woke up, it would be easier to get rid of him. Moreover, it was her fortune of eight lifetimes to be able to sleep with their young master! It was already good enough that the young master didn't let her be in charge!

Secret Protector Hua Hua left the courtyard. It was late at night and there was no one on the street. Where could she find a girl? Could she go to someone else's house to snatch one?

Just as secret protector Hua Hua was about to enter the house to snatch a civilian girl, she heard a thump from afar. Secret Protector Hua Hua walked over to the sound and was overjoyed!

It was actually an unconscious woman!

Although the clothes she was wearing were a little strange, she looked pretty good. Moreover, she looked like someone who had never been married before. She actually did not have any spiritual power. This was the best candidate. She was the one!

Secret Protector Hua Hua directly carried the woman back to the courtyard. After waking Xue Wuji up, she directly placed the two of them on the bed.

While Xue Wuji was unconscious, the effect of the medicine was not suppressed by spiritual power. It completely took effect. When he felt the sweet fragrance of the woman beside him, he instantly lost his rationality. After tearing the woman's clothes, he turned over and flipped over..
