

The Yun Family's Ninth Child is an Imp! Chapter 1541

When Xue Wuji woke up, there was no sign of the woman. Xue Wuji was on the verge of collapse when he found that someone had written eight words on his chest with a strange dye, "You are willing to do it, but you will not be responsible for it!"

Xue Wuji was so angry that he almost fainted!

You are willing to do it?

My chastity, which I had kept for more than twenty years, was snatched away by a lecherous woman. How dare you say that you are willing to do it?

Xue Wuji took out a handkerchief to rub against the dye. Fortunately, the dye fell off when he rubbed it with the handkerchief. Xue Wuji gnashed his teeth in anger. He jumped up, put on his clothes, and jumped out of the room. "Where's that damn woman?"

Secret Protector Hua Hua was dumbfounded. "She left. She said that you've already given her compensation. She won't Pester you anymore."

"Bullsh * T! Find her for me! I want to kill her myself!" Xue Wuji was so angry that his face turned red, then, he suddenly burst into tears. "It's over! It's over! My chastity, which I had kept for more than twenty years, was taken away by this damn woman! I don't have the face to pursue little sister Jiu anymore! DAMN WOMAN! And you, Damn Hua Hua! I'll kill you!"

Secret Protector Hua Hua hurriedly knelt down. “Young master, if I don’t do that, you’ll definitely explode and die. I had no choice. Don’t worry, that woman was picked up by me, and she doesn’t have any spiritual power. There won’t be any trouble. “If you insist on killing me, I will accept it. Young master, do it! “As long as you are safe, I will die with no regrets.”

Secret Protector Hua Hua had clearly learned the essence of Yun Chujiu. This tactic of retreating to advance was effective. Xue Wuji angrily kicked him but did not really kill him.

“You said that she doesn’t have any spiritual power?” Xue Wuji asked without thinking.

“This subordinate can confirm that that woman doesn’t have any spiritual power.”

Xue Wuji recalled the scenes from last night. Damn it, how could she not have any spiritual power? I was pressed down by that damn woman for the second half of the journey. She suppressed me so that I couldn’t turn around..

The dark guard Hua Hua was puzzled when she saw Xue Wuji’s face turn red. She cursed in her heart. Could it be that young master was in love with that woman because of the one night they spent together? It was better than falling in love with Yun Chujiu. That was di Beiming’s woman. Our young master had no chance of winning.

“Young master, don’t worry. She hasn’t been gone for long. I’ll send someone to chase after her now. We’ll definitely find her,” the secret protector Hua Hua said confidently.

“Capture her alive! I want to take care of her myself!” Xue Wuji recalled that the woman seemed to have said that she wanted to borrow something from him. When he saw that the ring on his hand was still there, he was puzzled. Could it be that she was just saying it casually?

Xue Wuji returned to the room. When he saw the blood-stained bedsheet on the bed, he was so angry that he was about to destroy it. A thought suddenly flashed through his mind. He hesitated for a moment before putting the bedsheet into his storage ring.

Damn woman, I will definitely find you. You have taken away my chastity. Are you going to deny it after putting on your clothes? No Way!

Unfortunately, the secret protector Hua Hua had sent out quite a number of people, but they did not find anything. It was as if the woman had disappeared into thin air.

Xue Wuji recalled what had happened that day and his face turned even gloomier. “Find her for me! Even if you have to search the entire Tian Yuan continent, you must find her for me!”

Secret protector hua hua probed, “Young master, that woman doesn’t have any spiritual power. Could it be... could it be that she’s already dead? Furthermore, she’s quite good-looking. Could she have been captured and sent to that kind of place?”

Xue Wuji sent Secret Protector Hua Hua flying with a slap. “Stop talking nonsense. Why aren’t you going to find her? !”

Secret Protector Hua Hua wanted to cry but no tears came out. How could our young master love every single one of them? Previously, she had been crazy about Yun Chujiu. Now, she had fallen for a good-for-nothing who did not have any spiritual power. Damn woman, where did she go?
