

## The Yun Family's Ninth Child is an Imp! Chapter 1547

Di Linhan did not notice anything amiss, but it could also be that men and women had different concerns, he said with a smile: "Fourth Junior Sister, little girl Luo Xue, Little Girl Jiu has such a temperamental character, don't take it to heart!"

Yun Chujiu said with a grin: "That's right, Madam Lan, don't take it to heart. The kindness of giving medicine isn't a big deal, it's just that you haven't found it for more than ten years? "Isn't it just because you don't have the purple sunflower grass that you've always been sick? "It really isn't a big deal!"

Madam Lan wasn't stupid and naturally knew that Yun chujiu was being sarcastic. She could only say, "Little Jiu, I really didn't mean anything else just now. Thank you very much!"

"Madam Lan, that purple sunflower grass isn't mine. It's my aunt's. If you want to thank her, then thank my aunt. My aunt has a kind heart. She was afraid that if you knew that she was the one who gave you the Purple Sunflower Grass, you would come over with tears and tears flowing down your face to thank her. That's why she asked me to pass it on. Madam Lan, you came here specially to thank my aunt, right?"

Madam Lan was so angry that she was twitching. She didn't come here to thank the palace master's wife, but she was forced here by Yun Chujiu's words, she could only say, "Jin Se, Little Jiu is right. I came here to thank you. I didn't expect you to care about me even though you weren't close to me back then. I'm really touched."

Seeing that Madam Lan had been repeatedly humiliated, the anger in the Palace Lord's wife's heart dissipated a little and she said indifferently: "It's just a small matter, you don't have to take it to heart."

The palace Lord's wife really could not put on a pretense of saying that she wanted to stay a few more days and so on, wishing that the LAN mother and daughter would immediately get lost.

The Palace Lord's wife sat on the seat next to Di Linhan, while Yun Chujiu walked up to Lan Luoxue and said with a smile: "Big Sister Luoxue, it's a pleasure to meet you. You Are Really Beautiful."

Lan Luoxue had not expected Yun chujiu to do such a thing. Although she hated her in her heart, but upon hearing Yun chujiu praise her beauty, she said with a smile: "Little Sister Jiu praises me too much. Little Sister Jiu's looks are better than mine."

Lan Luoxue had thought that Yun chujiu would be polite, she had not expected yun chujiu to say: "What you said makes sense. I am indeed more beautiful than you. There is nothing you can do about being born with a natural beauty. Don't be too humble, your looks are not bad."

Lan luoxue almost fainted from anger. This was the first time she had met such a shameless person, and he was actually praising himself. Such a person was actually famous throughout the entire Tian Yuan continent? Not only does his excellency like her, but my brother also likes her? Are Their Eyes Blind?

Just as Lan Luoxue was cursing in her heart, she heard Yun chujiu continue to say: "Sister Luoxue, please take the seat next to you, this seat is mine."

Lan Luoxue's face turned red and she looked at Di Linhan with tears in her eyes: "Uncle Palace master, this, could it be that this seat is still fixed?"

Di Linhan coughed unhappily: "Little Nine Lass, don't mess around! Who said that the seat is yours? Since Luo Xue is already sitting there, you can just change to another seat."

Yun chujiau blinked her eyes: "Uncle, this seat can not be sat randomly, just like the seat next to You is my aunt's. No matter how much madam Lan wants to sit, she can not sit there. If she sits there, she will be shameless and Shameless! "As for my seat, although there are no written rules, I always sit here. Naturally, I can't break the rules just because of an outsider."

The palace master's wife felt so comfortable in her heart that she couldn't describe it with words. Good! Well said! Little Jiu is really my caring little cotton-padded jacket!
