

The Yun Family's Ninth Child is an Imp! Chapter 1554

Lan Luoxue's face was slightly red. "Mother! What are you saying!"

Madam Lan poked Lan Luoxue's forehead with her finger. "You're shy, so this is admitting it? "If you like it, mother will help you marry into the palace of Immortals. Back then, that slut ye jinse stole the position of the palace master's wife. In the future, the palace master's wife will be my daughter's!"

"Mother, don't worry. As long as I marry into the temple of Immortals, I will definitely think of a way to take care of the palace master's wife and help you vent your anger!" "But, your holiness is very interested in that Yun chujiu. Can I have a chance?" Lan Luoxue asked Madam Lan with a look of anticipation.

"Silly girl, opportunities are created by yourself. Do you think that you can't compete with that Vulgar Scoundrel Yun Chujiu?"

"Mother, of course I'm stronger than her, but his majesty doesn't even care about me. How can I create opportunities?" Lan Luoxue pouted and said.

"If you kick Yun chujiu out of the Temple of Immortals, won't you have Hope?"

"Kick Yun chujiu out of the Temple of Immortals? Mother, what are you talking about? That Yun Chujiu is very popular with uncle and madam of the temple master. How can she be kicked out?"

“If I’m not wrong, senior brother and that B * Tch ye jinse will definitely have a big fight tonight. Their relationship will definitely be in turmoil.”.

“Moreover, senior brother will definitely force Yun Chujiu to apologize tomorrow. At that time, we will put on a bitter act and frame Yun chujiu to take revenge on US mother and daughter.”.

“At that time, senior brother will definitely reprimand Yun Chujiu. That B * Tch ye jinse will definitely defend her. The more she acts like this, the angrier senior brother will be. In addition, Yun Chujiu is outspoken. When that time comes, senior brother Will Kick Yun chujiu out of the Temple of Immortals.”.

“If Yun Chujiu is chased out, with your looks and talent, are you afraid that you won’t be able to gain the Lord’s favor?”

Madam Lan’s eyes were filled with scheming. When she came, she already had this plan. If Luo Xue liked di beiming, then she would let Luo Xue marry into the temple of Immortals. Even if Luo Xue didn’t like him, it wouldn’t be bad to mess up the temple of Immortals, ye Jinse, that slut, did not deserve to be so happy. All of this should have belonged to me, Chu Lingyun!

As expected, things were just as Madam Lan had expected. That night, Di Linhan and the palace mistress had a huge argument and almost tore down the bedroom.

The next day, when Yun Chujiu saw the palace mistress, she almost laughed out loud. She saw that the palace mistress'eyes were swollen like peaches, and she was obviously crying pitifully.

“Aunt, have your eyes been bitten by a Mosquito?”

The palace Lord's wife snorted coldly. “Don't talk nonsense. I know you have many tricks up your sleeve. Think of a way to get rid of that pair of B * tches as soon as possible. I Won't mistreat you.”

“Aunt, what are you saying? You're really too polite! Your matters are my matters. That pair of white lotus flowers should also get lost! That's right, aunt, you can't treat me badly, how can you not treat me badly? Are you going to give me spirit stones or spirit tools?”Yun chujiu asked with a cheeky smile.

The Lady of the Palace Lord was so angry that she laughed: “You Little Scoundrel! The things you have taken from me are still too little? Let me tell you, that old scoundrel di Linhan will need you to apologize in a while, you should quickly think of a way to deal with it.”

“Aunt, don't worry. I will go and apologize if you want me to. It Won't be any less than a piece of meat! It's just that you should put on some ointment to reduce the swelling in your eyes. Otherwise, Old White Lotus will laugh at you.”

The Lady of the palace lord was so upset that she was angry. After hearing what Yun Chujiu said, she took out the ointment and put it on her eyes. Not long after, her eyes were no longer swollen, but they were still a little red. It was obvious that she had cried, however, there was no other way to hide it.
