

The Yun Family's Ninth Child is an Imp! Chapter 1557

Lan Luoxue looked at Madam Lan for help. Madam Lan gave her a look, hinting for her to think of a way to anger Yun chujiu.

And so.., lan luoxue said mockingly, "Yun Chujiu, don't think that just because uncle and madam treat you well, you can turn from a sparrow into a Phoenix! Let me tell you, a person with a lowly background like you will always be a slut. You will always be a slut for the rest of your life! Your Holiness still has some interest in you. Once he gets tired of you, you will be nothing. You can go back to your Qing Xuan continent! Slut!"

Initially, Lan Luoxue had intended to anger Yun chujiu. As she spoke, she spoke her heart out. She felt very carefree and vented out all the frustrations she had suffered yesterday.

Yun chujiu curled the corners of her lips. "Sister Luoxue, for the sake of my uncle, I can forgive you this once. If you apologize to me now, I'll pretend that nothing happened."

"Apologize? Yun Chujiu, I'll scold you. What about it? You're a slut! You're a slut with a mother but no mother!" Lan Luoxue scolded fearlessly, she wanted to anger Yun chujiu. As long as Yun Chujiu made a move, she would succeed.

Yun chujiu said indifferently, "Lan Luoxue, I've already given you a chance. Not only did you not restrain yourself, you also continued to speak evil words. Since that's the case, I can only reluctantly teach you a lesson. Don't worry, I'm not as evil as you. I Won't use my spiritual power."

Madam Lan was originally a little worried that Yun chujiu would hurt Lan Luoxue if she became angry out of humiliation. Now that she heard Yun chujiu say this, she felt relieved. Although the flesh wound looked tragic., however, as long as she took the pill, she would recover quickly. Therefore, Madam Lan sat on her seat and did not move.

If the person involved was someone else, manager Luo would definitely come out and be the mediator. However, she did not dare to get involved in Yun Chujiu's matter. This guy was not even afraid of the palace master's wife, so she could not make things difficult for him, therefore, manager Luo stood still.

Hearing Yun Chujiu's harsh words, Lan Luoxue sneered. "Yun Chujiu, do you still dare to hit me? As long as you touch even a single hair on my head, I will get the palace master's uncle to chase you out of the Temple of Immortals and send you back to the Qing Xuan Continent."

As soon as Lan Luoxue's words fell, Yun Chujiu kicked her. Lan Luoxue did not expect Yun chujiu to kick her without saying a word. She was kicked into the courtyard by Yun Chujiu.

Lan Luoxue wanted to get up, but strangely, she found that she could not move. She was so frightened that she was about to scream when Yun Chujiu jumped in front of her and kicked one of her acupuncture points, lan Luoxue realized that no matter how much she shouted, she could not say a word!

"Lan Luoxue, I will give you another chance. If you apologize to me right now, I will spare you!"Yun Chujiu said coldly.

Lan Luoxue opened and closed her mouth, but she couldn't make a sound. Yun chujiu said angrily, "Lan Luoxue, good. Since you don't know how to repent, then don't blame me for being rude!"

Yun chujiu secretly turned off the recording stone, then she said with a smile, "I haven't used my little nine shadowless kick for a long time. Today is a good time to review and revise so that I don't forget! Little Ball, block kick, Ma Lan hua 21,28256,28257..."

The corner of manager Luo's eyes twitched violently. This kick of the ninth miss should have at least 50 to 60 kicks. Why didn't Lan Luoxue resist at all? It was really strange!
