

The Yun Family's Ninth Child is an Imp! Chapter 1560

The Lady of the hall was so heartbroken that she almost pulled herself into a ball. She immediately ran over and asked: "Little Jiu, Little Jiu, are you alright?"

The Lady of the hall immediately saw the blood stain on the side of Yun Chujiu's mouth, she was immediately enraged: "Damn it! Di Linhan, I must kill that Slut Chu lingyun today! I have not even touched a single finger of little jiu, and she actually beat little jiu until she vomited blood. She is really courting death!"

When di Linhan saw Yun Chujiu's pitiful little appearance, his heart ached and he couldn't contain his anger. Fourth Junior Sister, fourth junior sister, you really shouldn't have done this! No matter how much little jiu went overboard, you shouldn't have done this to Little Jiu on account of my face. You really don't put me in your eyes!

Moreover, Little Jiu was there to apologize to you. It's fine if you don't forgive her, but why did you have to do this? No wonder Jin se kept saying that you had an evil heart. Looks like I had really misjudged you!

"Jin Se, don't be agitated. Don't worry, if fourth junior sister really did something wrong, I will definitely seek justice for little jiu. Men! Go and invite Madam Lan and Miss Lan over." Di Linhan said with a dark expression.

When the palace mistress heard di Linhan say that, she calmed down a little, she asked Yun chujiu with concern: "Little Jiu, are your injuries serious? Did you take any pills to stop the bleeding? Don't worry, aunt will make the decision for you! Manager Luo, what crime should you commit? Are you just going to watch Little Jiu get beaten up?"

Yun Chujiu quickly said with a twitch: "Aunt, please don't blame manager Luo. After all, Madam Lan is a guest and it would not be good for her to make a move. Moreover, if she had not stopped me, Madam Lan would have really killed me!"

Wu Wu, aunt, I have never suffered such a huge loss before. If it wasn't for the fact that I was afraid that uncle would be unhappy, I would have released my spiritual power to kill her long ago!

But aunt, you had already reprimanded me this morning and I couldn't not give uncle some face, so I endured it. Wu Wu, aunt, the word 'endure' is like a knife on the head. My Heart is so uncomfortable! Wa Wa!"

The More Yun Chujiu spoke, the more sad she became. After that, she began to wail loudly. Di Linhan's old face turned green and then white. Yun Chujiu's words seemed to have cut his heart. The veins on his forehead were bulging and the anger in his heart had reached its peak, it was at this moment that Madam Lan arrived with Lan Luoxue.

The moment Madam Lan entered the living room, she immediately said angrily: "Senior brother, Jin Se, all of you must stand up for me. Yun chujiu kept saying that she was going to apologize to me, but she actually beat up luoxue to such a State! How Outrageous!"

Lan Luoxue was supported down from the soft couch by two handmaidens, crying as she said: "Palace Lord Uncle, you have to stand up for luoxue, Yun Chujiu beat me up so badly!"

Di Linhan's brows were tightly knitted together as he said in a cold voice: "Fourth Junior Sister, you said that Little Jiu had beaten up Luoxue? Then why did Little Jiu have to describe herself in such a sorry state? and the servants all said at the same time that it was you who had beaten her up?"

Madam Lan gave a wry laugh: "Senior brother, these servants are all from the palace of Immortals and they naturally speak the same words as Yun Chujiu. Yun Chujiu had merely acted out a show and the real victim was my Luoxue. Look at how much pain she has been in? "It must be Yun Chujiu who poisoned her.

"Senior brother, now that things have come to this, I don't want any justice. I only hope that on account of the relationship between senior brother and sister, you can ask Yun Chujiu to give me the antidote. We mother and daughter will immediately leave the temple of Immortals. We will never step foot into the temple of Immortals again."
