

## The Yun Family's Ninth Child is an Imp! Chapter 1563

After di Linhan finished speaking, everyone's eyes turned to look at di beiming. Although Lan Luoxue was in excruciating pain, the excitement of having succeeded in her plot had made her temporarily forget about the pain. In her heart, she thought to herself, "Yun Chujiu, you slut, this time..." "Not only will you be chased out of the temple of Immortals, your eminence will also be greatly disappointed in you. Just wait for everyone to turn their backs on you!!"

"Father, I believe that Little Nine is telling the truth. Taking a step back, even if she is lying, I will support her. As long as it is little nine who did it, I feel that it is right. Little Nine, don't be sad. Since those two things provoked you, I will kill them now to avenge you." After di beiming finished speaking, he looked coldly at the LAN mother and daughter.

Madam Lan could not help but shiver, because she realized that what di beiming said was absolutely true, because the way he looked at them was completely looking at the two dead people.

"Senior brother! Senior brother! You have to make a decision for US mother and daughter! Your esteemed self, you are really going to kill us!" Madam Lan regretted, she did not expect di beiming to be so infatuated with that slut. Even if Yun chujiu was driven out of the temple of Immortals, she was afraid that we mother and daughter would lose our lives!

Di Linhan was also taken aback, before he flew into a rage: "Bastard! Are You Going Against Me? If you dare to touch a single hair on their heads today, I will not forgive you!"

Di beiming laughed coldly: "Father, for such a fool, you are willing to betray your family, do you think it is worth it?"

“No matter what, what happened today is Little Jiu’s fault. Little Jiu, you have to leave the Temple of Immortals immediately, you are not welcome here!” Di Linhan was feeling a little regretful in his heart, he felt that his words were a little harsh, but the arrow was already on the bow! He could only grit his teeth and admit it, or else where would his face be? !

Di Beiming’s eyes darkened: “Father, this is the stupidest decision you have ever made. Since that is the case, I will not return to the back palace to stay in the future.”

Di Linhan was so angry that he almost fainted. It was the other way around, it was the other way around, it was all the other way around! He was so angry!

The atmosphere was extremely tense, Yun Chujiu wiped her tears and said to Di Linhan: “My Lord Palace Master, I will naturally have to leave, but I can not leave unjustly like this. Since I have already experienced my injuries, shouldn’t I also test Lan Luoxue’s injuries?”

Di Linhan snorted coldly: “The clothes on that lass Luoxue’s body have already been drenched in cold sweat, how can she be faking it? But, the test is good too, it can also prove that you have really hit her. Elder Xu, go over and take a look.”

Elder Xu was already so shocked that he was dumbfounded. Emma, he had been in the palace of Immortals for such a long time, but this was the first time he had seen such a frightening scene, where the palace master and his esteemed self had fallen out?

Elder Xu came back to his senses and walked to Lan Luoxue's side. He placed his hand on Lan Luoxue's wrist to feel her pulse. Then, he frowned and did not speak for a long time.

Other than di beiming and Yun Chujiu, almost everyone felt that Lan Luoxue had really been poisoned. Otherwise, elder Xu would not have been unable to come to a conclusion for such a long time.

Although Madam Lan was a little afraid of Di Beiming's vicious words, but on second thought, she had her senior brother anyway. Moreover, the LAN family was not to be trifled with. She did not believe that he could really kill them, hence, she said: "Senior brother, since elder Xu is in such a difficult position, this shows that the poison in Luo Xue is very serious. Senior brother, you can not let Yun Chujiu leave just like that. You must make her hand over the antidote."

Seeing the situation, Di Linhan felt a little more confident in his heart. It seemed that he had not wronged little nine, so he said coldly: "Little Nine, hand over the antidote, or else, HMPH!"
