

The Yun Family's Ninth Child is an Imp! Chapter 1567

"Junior sister, Little Lass Luoxue, then what do you think we should do about little ninth?" Di Linhan saw that the mother and daughter of the Lan clan were not going to let this matter go, and he felt a little unhappy in his heart. He thought in his heart, 'because of all of you, I have been betrayed by all of you, and you are still not satisfied?'

Lan Luoxue was just about to say something... , madam Lan saw the expression on di Linhan's face and immediately said: "Senior brother, I was just angry for a moment. Since you have already made your decision, then we will do as you say. Let Yun Chujiu apologize to US and let this matter go."

When di beiming saw Madam Lan say that, his expression softened a little and he looked at Yun chujiu: "Little Jiu, what do you say?"

"Lord Palace master, thank you for sparing us, but I did not do anything wrong. Why should I apologize to this pair of white lotus flowers?" Yun Chujiu said lightly.

The LAN mother and daughter almost laughed out loud. This yun chujiu was really too stupid. The palace master had originally planned to let her off, but she still went against him. She was really courting death!

Di Linhan had not expected that Yun chujiu would not appreciate his kindness and he was so angry that he gritted his teeth: "Little Jiu girl, don't make the same mistake again and again! As long as you apologize immediately, this matter will be treated as if it did not happen. Otherwise, otherwise, you will return to the Tian Yuan Academy!"

Yun chujiu smiled brightly: “My Lord Palace Lord, I have always treated you like a father and respected you, and I have also treated you as my idol for moving forward. But I had not expected that you would actually act in such a manner because of your face and the so called relationship between senior and junior. Have you considered how my aunt would feel if you did this? Have you considered how big brother Bei Ming would feel? Have you considered how the subordinates of the Hall of eternal life would feel?”

I do not believe that you, as the leader of a hall, do not even have the ability to distinguish right from wrong. I do not believe that you can not see through the despicable methods of these two white lotuses. However, for the sake of your so-called reputation, you chose to ignore them!

“Because my aunt loves you, she chose to endure. My Big Brother Bei Ming is your son. For the sake of family ties, she can only endure. However, I will not endure it. I will let you hear what has happened now! “I’ll let you see how these white lotus flowers schemed to trick me into falling into their trap.”

Yun Chujiu took out the recording stone from her storage ring, and Lan Luoxue’s voice came out from it:

“You must kneel down and Kowtow to my mother and me to admit your mistake. This is called sincerity.”

“Apologize? Yun Chujiu, I’ll scold you. What do you think? You’re a slut! You’re a slut who has a mother but has no mother!”

“Mother, she must have poisoned me! Please help me take revenge quickly and capture her. I want to tear her into pieces!”

... .

Di Linhan’s head buzzed and beads of sweat appeared on his forehead. His hands were even trembling slightly.

The LAN mother and daughter had never thought that Yun chujiu would still have such a trick up her sleeve. Their expressions immediately changed. Lan Luoxue was already in a lot of pain and she had only been holding on because she was excited that her plot had succeeded. Now that she saw that the matter had been exposed... . , she immediately fainted.

Madam Lan could not be bothered with Lan Luoxue and hurriedly said: “Senior brother, listen to me, this, this recording stone must have been forged by Yun Chujiu! Luoxue did not scold her at all!”

“Enough! Fourth Junior Sister! There’s no need to say anything else. Take Miss Lan and leave the Palace of Immortals immediately. In the future, do not come here again. Let the friendship between US Senior Brothers and sisters End Here!”Di Linhan said in a low voice.

“Senior brother, do you not believe me? When have I ever lied to you? This recording stone is really fake!”Madam Lan was naturally unwilling to be chased out just like that.
