

The Yun Family's Ninth Child is an Imp! Chapter 1568

Di Linhan took a deep look at madam LAN and said: "Fourth Junior sister, it is very easy to determine whether this recording stone is real or fake. I just need to find a master weaponsmith and I will be able to tell. However, if the time comes to verify that this recording stone is real, then it will not be as simple as ending the relationship between our senior and junior sister. I will make your Lan family pay a corresponding price. Are you sure you want to do that?"

Madam Lan saw the look on di Linhan's face and knew that there was no turning back, she could only say: "Senior, Alright, since you do not believe me, then I will not say anything more! When your anger has subsided, we will sit down and have a good talk."

Yun chujiu thought to herself, this madam Lan was really a weirdo. Even in such a state, she was still able to remain calm. This was not just because of her thick skin, but because this kind of person did not have any face at all.

At this moment, LAN Luoxue woke up. She knew that the situation was over, so she decided not to pretend anymore and directly scolded, "Yun Chujiu, what kind of shameful methods did you use? Why is my entire body in unbearable pain?"

The corners of Yun Chujiu's mouth curled up. "Lan Luoxue, didn't the two elders say just now? Your injuries are not serious, and you were not poisoned. As for why you are in pain, it's probably because you have done too many shameful things, so you have suffered retribution, right?"

"You're spouting nonsense! B * Tch! Hurry up and cure me, or I won't forgive you!" Lan Luoxue's face was ferocious.

When di Linhan saw this side of Lan Luoxue, he couldn't help but feel ashamed. He had really been blind, he had really lived in vain!

Di beiming had long wanted to chase the two white lotuses away. If it wasn't for Yun Chujiu stopping him, he would have attacked just now. Now that he saw Lan Luoxue throwing a tantrum... , he coldly snorted, "Men, Chase these two things out. If you ever step within a hundred Li of the Palace of Immortals again, kill without mercy!" Bai Li's voice was filled with killing intent

Yun Chujiu felt that the pretty boy was extremely handsome, extremely cool! He was a hundred times stronger than his father! No, a thousand times!

Madam Lan was frightened by di beiming's killing intent and trembled slightly. She knew that he wasn't joking, so she quickly got her maidservants to help Lan Luoxue and left. As for Lan Luoxue's pain, she didn't care too much, she reckoned that it would not hurt much after a while. Moreover, at most, she could just return to the northernmost region and find someone proficient in medicine to take a look.

After the LAN mother and daughter left, the living room was deathly silent. Di Linhan's face alternated between green and white, and he could not utter a single word after a few mouthfuls. He was filled with regret and guilt at the same time.

"Aunt, I will return to the Tian Yuan Academy Now! In the future, I will definitely not come to the Palace of Immortals. If you miss me, you can go to the Tian Yuan Academy to visit me! "Although uncle is no longer my uncle, you are still my aunt!" Yun Chujiu said indifferently.

“Little Jiu girl, aunt will send you back. Coincidentally, I will also go to idle city to stay for a few days.”The wife of the hall master said with red eyes.

“Really? That’s great! Aunt, I am also a rich person now! When the time comes, I will buy a big house in idle city. The two of us will eat and drink happily every day. Just thinking about it is very beautiful! Big Brother Beiming, if you don’t have anything else to do, let’s go together! It would be great if the three of us could be together!”Yun Chujiu said with a smile.

Di beiming nodded and the three of them walked out of the door. Unexpectedly, no one paid any attention to Di Linhan.

Di Linhan took a few steps forward and opened his mouth, but he still could not say anything to apologize. His forehead was full of sweat and he was clearly very anxious. His intestines were about to turn green with regret.
