

## The Yun Family's Ninth Child is an Imp! Chapter 157

Zhang Zhi's tongue had been cut off so he could not speak, and his tendons and he was unable to write since his tendons were cut off. Therefore, Elder Qi had no choice but to call the relevant people over to interrogate them. Naturally, Yun Chujiu was also called over.

Yun Chujiu had always been good at acting. She swaggered over, and when she was questioned, her answers were naturally airtight.

Elder Qi felt that a little girl without spiritual power was indeed unable to do such a thing. After asking a few questions, he let Yun Chujiu go back.

After finishing the work at night, Yun Chujiu went back to the courtyard.

"Prince Charming, you were the one who helped me clean up that Zhang Zhi, right?" Yun Chujiu asked Di Beiming with her starry eyes.

Di Beiming was very proud in his heart, but he pretended to not care. "I just don't like him, it has nothing to do with you!"

"Prince Charming, I know you're venting your anger for me. You're such a good person! I love you so much!" Yun Chujiu was so excited that she stood on her tiptoes and kissed Di Beiming on the cheek.

Di Beiming's entire body seemed to be frozen. There was a loud bang in his head, like fireworks blooming in the sky. The soft touch seemed to be transmitted to his heart.

Yun Chujiu jumped for a while and frowned. "Prince Charming, that Elder Qi is currently investigating this. He won't pin it on me, right?"

Di Beiming finally came back to his senses and raised his eyebrows. Clearly, he felt that Yun Chujiu's question was a little unnecessary.

Yun Chujiu had gotten her revenge, so she naturally would not bother Di Beiming about this. Her words of flattery kept jumping out.

Di Beiming enjoyed it very much. When he was in a good mood, he took out some spirit fruits and pastries from his storage ring and gave them to Yun Chujiu.

When Yun Chujiu saw the delicious food, she became even more obsequious. She almost wagged her tail!

Di Beiming felt extremely refreshed and sweet. This feeling was even more wonderful than when his spiritual power had risen a level! 'Hmm, I heard from the black thing that there was a Manager Ding in the kitchen. Maybe An Yin should also take care of him?'

Di Beiming thought of this and asked Yun Chujiu, "Black Thing, do you need me to help you take care of that Manager Ding?"

Yun Chujiu thought for a moment, "No, no, I'll do it myself. It'll be fun."

Di Beiming also felt that Manager Ding was too weak. It was good to let her practice.

The next day, when Yun Chujiu went to work, she noticed that Manager Ding was looking at her with a probing gaze. When Yun Chujiu looked over, he avoided her gaze.

Yun Chujiu jumped in front of him. "Manager Ding, why are you always looking at me? Do you still want me to deliver something for you?"

Manager Ding did not know why, but he felt that Yun Chujiu was implying something. He waved his hand awkwardly. "No need! You do what you need to do!"

"Oh, if you need anything, just let me know. I'm happy to run errands for you!" Yun Chujiu said with a smile.

Seeing this, Manager Ding felt even more nervous. He gave a few perfunctory words and hurried out.

The more Manager Ding thought about it, the more uneasy he felt. However, on second thought, Yun Chujiu did not have any spiritual power at all. How could she be the one who did it? He must have been thinking too much.

This damn brat, she must be kicking him while he was down! 'Hmph! You don't have to be so smug. There's only one more day before the effects of the Three-day Intoxication kick in. Your time to die is up!'

However, after a few days, Yun Chujiu was still alive and kicking. There were no symptoms of poisoning at all.

Could it be that Zhang Zhi failed to poison her back then?

Yes, that must be the case. Yun Chujiu could not have gotten the antidote for the Three-day Intoxication.

Even so, Manager Ding still felt a little uneasy. He felt that things would not be so simple!
