

The Yun Family's Ninth Child is an Imp! Chapter 1583

Hearing Yun Chujiu's words, Lan Xiang's eyes turned a few times. Her figure was similar to this B * TCH's, and with the veil on, as long as she did not speak, senior brother Chu Hu would not be able to recognize her. As long as she and he could achieve good things, she was not afraid that he would not like her.

Thinking of this, Lan Xiang stared at Yun chujiu and said, "Are you really not willing to go?"

Yun chujiu quickly nodded. "Sister Lan Xiang, I really don't want to go. I'd rather go back and start a fire."

"Okay, in that case, I'll reluctantly go on your behalf! When the time comes, if senior brother Chu Hu blames me, just say that you told me to go, do you hear me?" Lan Xiang despised him in her heart. What a fool! If she got senior brother Chu Hu's favor, would she still need to be a rough servant in the Big Kitchen? She could directly become an outer sect disciple! If you don't cherish this good opportunity, then it would be too easy for me!

Yun chujiu nodded. "Then, then sister Lan Xiang, don't forget to put on the veil. I, I will go back to the cafeteria now."

Lan Xiang impatiently waved her hand at Yun chujiu, then walked toward the barren land with the dry well. After putting on the veil, she excitedly waited for Chu Hu's arrival.

An hour later, Lan Xiang heard the sound of footsteps. She could not help but be overjoyed. Then, she heard Chu Hu say, “B * Tch! I didn’t expect you to fake your death yesterday. Since you didn’t die, then let me feel more comfortable!”

After Chu Hu said that, he did not care about the fact that he came up and stripped Lan Xiang of her clothes. Lan Xiang could not wait for a good thing to happen in her heart, so she half-pushed and half-agreed to Chu Hu’s request. Although Chu Hu was a little surprised.., he did not expect someone to replace “Dawn.”.

After the two of them struggled for a long time, Chu Hu finally realized that something was wrong. He used his hand to pull the veil on Lan Xiang’s face and was instantly stunned!

Lan Xiang said shyly, “Senior brother Chu Hu, this is my first time. You, you have to treat me well in the future.”

Chu Hu asked with an ashen face, “Why is it you? Where’s Dawn?”

Lan Xiang saw that Chu Hu was still thinking about daybreak and could not help but feel even more jealous and resentful, hence, she said, “Daybreak said that she did not want to have a good relationship with senior brother Chu Hu. She used her sisterly relationship to beg me. I also admire you, senior brother, so I came in her place.”

“B * Tch! You really don’t know what’s good for you!”Chu Hu scolded.

“Senior brother Chu Hu, she is ugly and doesn’t know how to appreciate favors. Why do you have to lower yourself to her level? I, I am now one of your people, senior brother Chu Hu. I am at Your Beck and call.”Lan Xiang said shyly.

“Get lost! If you say anything about what happened today, I will kill you!”Chu Hu kicked Lan Xiang’s lower abdomen.

Lan Xiang’s face was pale from the pain. She did not dare to say anything more and simply put on her clothes and ran away.

Chu Hu clenched his fists. ‘B * Tch, do you think you can hide from me?’? ‘It’s good that you are not dead. Wait until you are done with your big business and see how I will deal with you!’

When Lan Xiang returned to the kitchen, she wanted to settle the score with Yun Chujiu. However, there were too many people in the kitchen, so she couldn’t say anything. She could only glare at Yun chujiu gloomily. B * Tch, wait for me to return to the dormitory at night. I Won’t forgive you.

Yun chujiu naturally saw Lan Xiang’s gaze, but she didn’t care at all. This fellow had never found an opportunity to use a voice transmission talisman. The price of a voice transmission talisman was not cheap. If people found out that she used a voice transmission talisman, they would definitely give it away. It seemed that she could only find another suitable opportunity.

Even if she could not send it out, it did not matter. Anyway, the engagement ceremony was the day after tomorrow. She would be able to meet the Pretty Boy's father.
