

The Yun Family's Ninth Child is an Imp! Chapter 1584

Perhaps because there were more and more customers, the canteen was extremely busy. Yun chujiu could not help but criticize in her heart, "Qin Mingzhu, Oh Qin Mingzhu, I have contributed a lot to your engagement. Don't thank me too much!"!

It was only when it was time to light the lanterns that Yun Chujiu's career as a fire-burning servant finally came to an end. The people in the canteen began to eat.

Yun Chujiu had just taken a few bites when Lan Xiang said fiercely, "Daybreak, stop eating. Follow me back to the dormitory."

Yun chujiu acted as if she had not heard her and continued to eat. Not to mention, the culinary skills of the chef of the Gui Yuan sect were really not bad.

Lan Xiang was already filled with anger. When she saw that Yun Chujiu did not respond, she went forward to pull Yun Chujiu. She did not expect that the Hot Soup Bowl in Yun Chujiu's hand was accidentally spilled by Lan Xiang. Yun Chujiu stepped back, a bowl of hot soup was poured on Lan Xiang's hands and clothes.

Although the soup was not particularly hot, Lan Xiang was also very embarrassed. She was so angry that she gritted her teeth. "You B * Tch! Go back and wash my clothes right now, or I will not forgive you."

A middle-aged woman could not stand it anymore, she said unhappily, "Lan Xiang, you have gone too far. It was not on purpose at dawn. Besides, if you did not pull her, why would she be so scared that she dropped the Soup Bowl? Moreover, she has been working for a whole day. How can she eat so Little?"

The middle-aged woman was manager Sun, who was in charge of the dining hall. Although Lan Xiang hated her for meddling in other people's business, she didn't dare to talk back. She glared at Yun chujiu and said, "If you have the ability, don't go back to the dormitory tonight. HMPH!"

After Lan Xiang said that, she left.

Yun Chujiu said to the middle-aged woman, "Thank you, manager Sun."

Manager Sun Sighed, shook his head and didn't say anything.

After Yun Chujiu had her fill, she walked out of the canteen and slowly walked towards the dormitory. Some of the maids in the canteen looked at Yun Chujiu gloatingly, they did not hold back their discussion, "Lan Xiang is really angry. When we go back, we will definitely teach her a lesson!"

"Do you even need to say that? ! However, who asked her to act so inappropriately? No matter how glorious she was in the past, it's useless. Now that her face and voice have been destroyed, she will never be able to make a name for herself in this lifetime."

“Only manager Sun has a kind heart. Why should such a person care about her? ! She should die early and be reborn early.”

..

Yun chujiu’s lowered eyes were filled with a fierce look. Even if the original dawn was not raped or killed, she would probably break down sooner or later after being subjected to such cold words. These people were really cold and vicious to the extreme!

Just as Yun Chujiu was thinking about it, she could not help but fall behind by a large margin. A sigh came from behind. Yun chujiu turned around and saw that it was manager Sun.

Yun chujiu quickly said, “Manager Sun, thank you so much for today.”

Manager Sun waved his hand. “It’s nothing! Miss Dawn, you have to look forward. Just endure it. You can sleep at my place tonight. Otherwise, if you go back, I’m afraid Lan Xiang will torture you.”

Yun chujiu thought about it. If not, it would be bad if she could not help but play with that idiot to death. So she nodded gratefully. “Then I’ll have to trouble manager Sun.”

Manager Sun heard Yun Chujiu's voice, which sounded like she was sawing wood. He couldn't help but sigh in his heart. A good girl was tortured to this state because of a groundless crime. It was really pitiful.

Yun Chujiu followed manager Sun to a courtyard. This courtyard was much bigger than Lan Xiang's. After the two entered the courtyard, they heard a young boy's voice saying, "Mother, you're back?"
