

## The Yun Family's Ninth Child is an Imp! Chapter 1587

“Manager Sun, you don’t have to worry too much. A good person will have his fortune. Zi Heng will definitely be fine. He will have a bright future in the future.” Yun Chujiu added secretly. She was waiting for her to lure him into her pirate ship, he would naturally have a bright future!

Spiritual Master Yan, TSK tsk, she had finally found a treasure! It was said that spiritual master Yan might not appear once in tens of thousands of years, but she had actually met him. Her luck was really out of this world!

Manager sun sighed when he heard that. “Miss Dawn, to be honest, I don’t expect anything earth-shattering from Zi Heng. As long as he is safe and sound, I will be satisfied as a mother!”

Yun chujiu nodded and sighed in her heart. What a pity for Parents! However, where were her terrible foster parents and her biological parents who did not know who they were?

The two of them chatted for a while more before they put out the candles and went to bed.

Yun Chujiu waited until manager Sun fell asleep before she took out her voice transmission talisman. However, she was disappointed that there was still no response. Could it be that she couldn’t even do it in the dormitory area?

Yun chujiu thought of the terrible incident that Zi Heng had mentioned. Her head was spinning rapidly. What exactly would happen? Yun Chujiu's head was hurting from thinking. She couldn't think of any clues, so she simply stopped thinking and closed her eyes to sleep.

The next morning, manager Sun Woke Yun Chujiu up. The two of them washed up and went to the canteen.

As soon as they arrived at the canteen, they saw Lan Xiang coming up to them with two big dark circles under her eyes. "Dawn, where did you go last night? You didn't even come home last night. I have already reported it to manager Liu. Just wait to be punished!"

"Thank you for your concern, Sister Lan Xiang. I stayed at manager Sun's place last night," Yun Chujiu said submissively.

Lan Xiang was stunned. She originally thought that Yun Chujiu was with Chu Hu last night. She didn't expect that she would go to manager Sun's place. Manager Sun, this damn woman, really meddled in other people's business! No wonder her son's leg was crippled. This was karma!

With manager Sun's protection and the fact that the big kitchen was especially busy today, manager Liu only scolded Yun Chujiu a few times before asking her to hurry up and start the fire.

Yun chujiu was initially worried that Chu Hu would come and find trouble with her again, but she did not expect Chu Hu to only glare at her when he came to fetch the food. He did not ask her to deliver the food again.

Yun chujiu heaved a sigh of relief in her heart. Although she wanted to kill Chu Hu to avenge dawn, now was not the time. It would be terrible if she was exposed.

Just as Yun chujiu heaved a sigh of relief, she did not expect someone to say from outside the canteen, "Dawn, Miss wants to see you. Come with me!"

Yun Chujiu's head buzzed. F \* ck, whatever she was afraid of came true! Qin Mingzhu, that Little B \* TCH, was as smart as a monkey with a tail. If she was in front of her, she would definitely be exposed. What should she do?

"Dawn, do you want to die? Come out quickly!" The people outside seemed to be impatient from waiting.

Yun chujiu had no choice but to walk out of the canteen. A beautiful maid stood outside. When she saw Yun chujiu coming out, she was stunned, she pursed her lips. "Aiyo, the great beauty from back then actually had such a dusty face? She doesn't even dare to show her face? That's right, if you show your face, I'm afraid you'll scare people to death! Let's see how you can seduce people this time! Let's go, the eldest miss specifically asked to see you. She'll definitely reward you with a lot of good things!"

Although Yun Chujiu really didn't want to follow them, she couldn't think of any good ideas at the moment. She could only follow the maid and leave the dining hall obediently.
