

The Yun Family's Ninth Child is an Imp! Chapter 1590

Chu Hu hacked a few times to see that there was nothing unusual. Then, he covered the slate again and left in anger.

Yun chujiu did not dare to move. Who knew if Chu Hu would come back.

After a while, Yun chujiu carefully poked her head out and breathed in the fresh air. She was a cultivator. If she were an ordinary person, she would have fainted long ago.

Yun Chujiu did not dare to act rashly. She decided to stay in the well. Tomorrow was the engagement ceremony. She would go out at noon. When that time came, they would be eating and drinking. It would be easier for her to sneak in.

Therefore, she did not care about the dirty smell of the mud. She stuck herself in the mud to endure the time.

Chu Hu looked around but could not find Yun chujiu. He was furious. However, Qin Yixiao had arranged other things for him. He could only put the matter of finding Yun Chujiu aside for the time being. After all, it was impossible for her to escape from the Gui Yuan sect, he would settle the score with her after he was done with the important matters.

The next day, the Gui Yuan sect was very lively. Many guests had arrived at the towns near the Gui Yuan sect in advance. They had only arrived at the Gui Yuan sect this morning one after another.

As there were too many people, the engagement ceremony was arranged on a large square in the Gui Yuan sect. A round stage had already been set up on top of it to hold the ceremony.

The guests who had arrived took their seats according to their status. Almost all the influential people in the Tian Yuan continent had arrived. After all, the status of the engagement party was quite high. Those who received the invitation had to give face.

The engagement ceremony began in an orderly manner. The only thing that was out of place was that Qin Mingzhu did not smile the entire time. Anyone could tell that she was unwilling to do so.

Yin Xuecheng hated her in his heart. B * TCH, you have already been F * cked by me and you still have such a dead face. Just you wait. When you enter our Yin family in the future, you will see how I will deal with you.

An hour later, the engagement ceremony ended. Qin Yixiao and Yin Qinghua exchanged a few simple words before the banquet began.

Qin Yixiao, Yin Qinghua, Yin Qingbo and the others kept toasting Di Linhan and the others. Di Linhan and the others could not be too evasive. Besides, they could just use their spirit energy to neutralize the alcohol. Moreover, this was the Gui Yuan sect., there would not be any danger.

Hence, in a short period of time, toasts were exchanged, and the host and guests enjoyed themselves. It was a lively scene.

Qin Yixiao, Yin Qinghua, and the others, however, had a cunning look in their eyes.

After thirty years of wine and five different dishes, many people were prepared to stand up and take their leave. They never expected that there would be many Yin family guards and Gui Yuan sect disciples around the square.

Qin Yixiao said coldly, "Everyone, since you are here, don't be in a hurry to go back. Stay in Gui Yuan sect for a few more days! Don't worry, Gui Yuan sect will definitely entertain everyone with good wine and good food."

"Qin Yixiao, what do you mean?" Medicine Valley's Bai Li asked unhappily.

"It's just a literal meaning. None of you can think of leaving today!" Yin Qinghua stood beside Qin Yixiao and sneered.

Di Linhan frowned: "Sect Master Qin, Patriarch Yin, if there's anything we need to discuss, we can discuss it properly. There's no need for such a ruckus. Besides, can you disciples stop so many of us?"

“Discuss properly?” Di Linhan, when your temple of Immortals forced our Yin clan to give up one-tenth of our share of the Spirit Stone Mine, why didn’t you discuss it properly with us? To tell you the truth, none of you can think of leaving today!” Yin Qinghua said arrogantly.

Di Linhan said indifferently, “Then let’s see if you can stop us!”

As Di Linhan spoke, he gave a look to towering angel Bai Li. The two of them went straight for Qin Yixiao and Yin Qinghua. If they wanted to capture a thief, they had to capture the leader first. If they could capture these two people, those subordinates would not be a threat.
