

The Yun Family's Ninth Child is an Imp! Chapter 1600

Di Linhan was pushed over and dharma protector Zhao said viciously: "Yun Chujiu, surrender obediently or I will kill Di Linhan!"

The corners of Yun Chujiu's mouth curled up: "Kill My Uncle?"? Do you think I am a Fool? My uncle is an important bargaining chip for you to use against my big brother Bei Ming in the future. If you kill my uncle, I Guess Your Vice Palace Master Liu will definitely reward you well. He might even reward you with a thousand cuts!"

Dharma Protector Zhao had never seen such a threatened target before. Under normal circumstances, shouldn't she be obedient or angry out of humiliation? Why did Yun chujiu look like she didn't Care?

Most importantly, what she said was right. Dharma Protector Zhao really didn't dare to kill Di Linhan. Di Linhan was a very important hostage. If it weren't for him, it would have been impossible to capture the temple of Immortals.

Dharma Protector Zhao gritted his teeth and said, "Bring that old fool, Huangfu Zhongheng, Here!"

"Yun chujiu, this Huangfu Zhongheng isn't that useful. If you don't surrender obediently, I'll kill him!"Dharma Protector Zhao pointed his sword at Dean Huangfu and said.

Yun chujiu had a shocked expression on her face. “Dharma Protector Zhao, are you out of your mind? TSK TSK, I really don’t know why Vice Palace Master Liu would give such an important task to you. Dean Huangfu isn’t that useful?”?

“There are tens of thousands of students and teachers in the Tianyuan Institute. If you don’t have Dean Huangfu, do you think those people would be obedient?”? “Besides, only dean Huangfu knows where all the treasures of the Tianyuan Institute are hidden. Are you sure you want to kill him?”

Although Dharma Protector Zhao didn’t want to admit it, he felt that Yun Chujiu’s words made sense. He really couldn’t kill this Huangfu Zhongheng.

Dharma Protector Zhao then changed a few hostages to threaten Yun chujiu, but they were all “Rejected”by Yun Chujiu with various reasons.

Di Linhan and the others were stunned!

The people from the Hall of the Netherworld were stunned!

The hidden guards behind Yun Chujiu were also stunned!

They could still play like this?

Dharma Protector Zhao held a group of hostages in his hands, but why did it feel like the initiative was always in Yun Chujiu's hands? This was too illogical!

Dharma Protector Zhao also realized that he had been brought into the ditch by Yun Chujiu, he was so angry that his face turned red and his neck was thick as he said: "Yun Chujiu, don't try to be clever! "Although I can't kill them, but I can still chop off an arm or a leg. You better surrender now, or I will chop off one of Di Linhan's arms!"

"Chop off an arm, then I have to think about it! Give me some time, I will discuss it with them." Yun Chujiu said in a fluster.

Dharma Protector Zhao saw that Yun Chujiu had finally revealed a flustered expression, and only then did he feel that he had regained some face, he said viciously: "I will at most give you half a quarter of an hour to think about it. If you do not surrender when the time is up, not only will I have to cut off Di Linhan's arm, the rest of you will also have one of your arms cut off!"

"Alright, Alright, Alright! We will discuss it right away. You must not be impulsive. Being impulsive is the devil. Once you make a decision out of impulse, the consequences will be unimaginable. That is why people must think twice before doing anything. Not only must you consider the cause, you must also consider the consequences... ." Yun chujiu rambled on and on about the topic of "You can not be impulsive".

Dharma Protector Zhao didn't react at first, but by the time he did, Yun Chujiu had already spoken for 15 minutes, he was so angry that he gritted his teeth. "Yun Chujiu, you are deliberately stalling for time! Hurry up and make a decision, or I will give the order to attack!"
