

The Yun Family's Ninth Child is an Imp! Chapter 1607

Everyone stopped their attacks and raised their heads to look at the sky.

The Beast Head in the sky looked like a tiger's head, but it had two horns. Moreover, everyone could feel that the spiritual energy in the air was disappearing rapidly, and the spiritual energy that had disappeared was absorbed by the huge beast head, as it absorbed more and more spiritual energy, its body also appeared and became more and more solid. It even had a pair of huge wings on its back.

Xue Li and the others were frightened. They roared angrily, "Qin Yixiao, Your Gui Yuan sect's original duty was to suppress the remnant soul of this fierce beast, but you actually refined it into your soul beast. You are going against the will of heaven!"

Qin Yixiao threw his head back and laughed, "Going against the will of heaven? This gui Yuan sect doesn't belong to me. So what if I destroy it? You are all my enemies. So what if I kill you? "How can this be called going against the will of heaven? "This is called obeying the will of heaven! "Qiong Qi, kill them!"

Yun chujiu was shocked. Ah, this was Qiong Qi? One of the four great beasts, Qiong Qi? It was similar to the one in the records. She didn't expect Qin Yixiao to have such a trump card. It was really difficult to deal with!

After hearing Qin Yixiao's words, Qiong Qi flapped its huge wings and pounced towards the people from the Tian Yuan continent. Everyone was so scared that they ran in all directions. However, not only did Qiong Qi have a huge body, it also had a pair of wings, in the blink of an eye, he had killed over a hundred people.

The eyes of Dharma Protector Zhao from the Netherworld Hall flickered a few times. He did not expect that the Old Thing Qin Yixiao would actually leave behind such a move. He did not expect that he actually knew the method of a soul beast. In the future, after he had conquered the Tian Yuan continent, he had to think of a way to get this soul beast of his over. Otherwise, it would be a big trouble.

The people from the Tian Yuan continent were naturally not willing to sit still and wait for death. They used their spirit energy to attack that Qiong Qi with all their might. However, there was a huge disparity in strength. Moreover, there were still the people from the Netherworld Hall. The people from the Tian Yuan continent were completely in a passive position.

Qin Yixiao revealed a smug smile on his face. It turned out that he was worried about the destruction of the Gui Yuan sect. Now, he no longer had any worries. With the help of the Qiong Qi, even if di beiming and Xue Wuji rushed in, they would be sending themselves to their deaths!

Another half an hour passed. Almost half of the people of the Tianyuan continent were dead or injured. That Qiong Qi let out a strange cry, as if killing people was its greatest pleasure.

Yun chujiu knew that if this continued, even if di beiming and Xue Wuji rushed in, it would be useless. She had to take care of this Qiong Qi first!

Yun Chujiu thought that it was a pity that the Tao Wu that she took in before was only a remnant soul and not her soul beast. Otherwise, she could let it help her.

Yun Chujiu recalled the records of the Qiong Qi in the ancient books. In the end, they all came down to four words — punish good and punish evil. This Qiong Qi loved evil people and hated good people. Could she make something out of this?

Yun chujiu rolled her eyes and suddenly shouted, “Qiong Qi! Stop! I want to talk to You!”

Qiong Qi was in the middle of killing people. When it heard Yun chujiu calling it, it opened its bloody mouth and Bit Yun chujiu.

Yun chujiu rolled on the ground and barely dodged Qiong Qi’s attack. She gritted her teeth. Damn it, it was indeed a fierce beast! It did not even give her a chance to speak. Since that was the case, let’s see just how tough you are!

Yun Chujiu threw over a dozen sudden rupture talismans that she had obtained from di Linhan towards Qiong Qi’s big mouth. Qiong Qi did not dodge at all. In its eyes, these humans were simply too weak and did not have the ability to resist at all.

After a few loud explosions, Qiong Qi let out a roar that shook the heavens. Yun Chujiu’s explosion caused Qiong Qi’s entire figure to become a little fainter.
