

The Yun Family's Ninth Child is an Imp! Chapter 1609

Hearing Yun Chujiu's words, qiong qi said impatiently, "What you said is nonsense! Killing them is of course a big deal, but where can I find them? Besides, I'm already a remnant soul, how can I kill them?"

"You're really stupid! Since I said so, I naturally know their whereabouts!" Yun Chujiu said with her mouth curled.

Qiong Qi's eyes immediately widened. "You know? Where are they? They're not dead? That shouldn't be. I remember they're all dead."

"Of course they're all dead, but they have remnant souls just like you!" Yun chujiu said in an idiotic tone.

Qiong Qi didn't care at all. Instead, it felt that such a tone was more cordial. It said with a slightly flattering tone, "Then tell me, where are they?"

"Qiong Qi, I say, do you really have no brain? Why should I tell you? Is there anything good in this world? Those who help others are all idiots!"

Qiong Qi felt that what she said was really right. That was, only evil people should survive. Good people should die. This little girl really won my heart!

“Then how can you tell me their whereabouts?”

“It’s very simple! You have to do a big evil thing to make me satisfied!” Yun Chujiu said with a fake smile. The expression on her face was as sinister as it could be.

Everyone was dumbfounded. Why did Yun chujiu suddenly look like a different person? Her expression was really too sinister and scary!

Qiong Qi liked it very much. He could not wait to ask, “What kind of evil thing can satisfy you?”

Yun chujiu raised her eyebrows and said two words indifferently, “Killing the Master!”

“Killing the Master?” Qiong Qi was stunned. Then, he laughed strangely, “Little Ant! You are really talented! Yes! Killing the master is the most exciting thing to do!”

Everyone thought that there was something wrong with their ears, or else there was something wrong with Qiong Qi’s brain!

Too talented?

Yun Chujiu is trying to trick you into killing Qin Yixiao! You are just a soul beast. If Qin Yixiao dies, wouldn't you be finished? Are You Stupid?

Qin Yixiao immediately shouted, "Qiong Qi! If I die, you will die too! Yun Chujiu is trying to trick you! Why Don't you kill her quickly?"

Qin Yixiao felt that if he had exposed Yun Chujiu's trap, Qiong Qi would definitely kill Yun Chujiu in anger. He did not expect that Qiong Qi would actually put on a fawning look, he said to Yun chujiu, "Little Fairy, I, Qiong Qi, have lived for hundreds of thousands of years. This is the first time I have met such a sinister and cunning person like you. I really like you!"

Everyone almost fainted!

Oh God, is it because we are inexperienced, or is this Qiong Qi too strange?

Is it sick? Not only is it not angry, it actually said that it likes Yun Chujiu very much?

Hundreds of divine beasts whizzed past Yun Chujiu's heart. Damn, this Qiong Qi really rewards evil and punishes good to the extreme. I have to continue to deceive it.

“Pui!”! Is a fool like you worthy of liking me? Hurry up and kill Qin Yixiao? Think about it, how could those three fierce beasts be as bad as you? They actually killed their own master. It’s really too bad! Only then would they be worthy of your reputation as an ancient fierce beast!”

Qiong Qi raised its huge claws and scratched its head. It was obviously somewhat conflicted. Killing its master was naturally a big bad thing. However, after killing its master, it would die. would it do it or not?
