

## The Yun Family's Ninth Child is an Imp! Chapter 1610

Yun chujia blinked her eyes, she sneered and said, "I say you're stupid, you're really stupid. If You Were Afraid of death, wouldn't you have killed your master's allies first? Although this isn't considered a great evil, it's still okay! Right, doesn't he have a daughter? If you kill Master's daughter, it's also considered a great evil!"

Qiong Qi was enlightened immediately. "Little Fairy, you have more evil tricks! You're right! I'll kill them first, then consider whether to kill master or Not!"

After saying that, Qiong Qi gave Qin Mingzhu a claw. Qin Mingzhu used all her strength to leap away from Qiong Qi's attack. Qin Yixiao quickly blocked Qin mingzhu behind him, qiong qi said angrily, "Qiong Qi, aren't you afraid that I'll punish you? You're Just My Soul Beast, your spiritual sense has my spiritual sense imprint. If you continue to make trouble, I'll kill you!"

Qiong qi laughed strangely, "You are protecting your daughter, this is the relationship between father and daughter. I hate the relationship between humans! I will kill your accomplice first, and then I will kill your daughter!"

After saying that, Qiong Qi did not continue to chase after Qin Mingzhu. Instead, he pounced towards the Netherworld Palace, Yin Qingbo, and the others.

The people from the Netherworld Palace were about to cry!

Qin Yixiao, ah, Qin Yixiao, the person you released was not our helper, but Yun Chujiu's helper! Is there something wrong with this damn Qiong Qi's head? Yun chujiu tried to fool it, but it actually fell for it. It was really brainless!

No matter how much they cursed in their hearts, it was useless. Qiong Qi's lethality was really too great. Although the power of the Netherworld was somewhat hindering it, the people of the Netherworld Hall also suffered heavy casualties.

Dharma protector Zhao cursed angrily, "Qin Yixiao, what are you waiting for? Hurry up and kill this damn thing! Otherwise, we will all die!"

Qin Yixiao was still a little hesitant. He really could not bear to part with Qiong Qi, this great killing weapon. However, seeing that the situation had gone out of control, he could only use the spiritual imprint hidden in Qiong Qi's remnant soul to prepare to kill Qiong Qi.

Seeing the situation, yun chujiu shouted, "Qiong Qi, you idiot! He wants to kill you, why don't you hurry up and kill him? At least before you die, you can still do such a terrible thing like killing your master!"

Hearing Yun Chujiu's words, Qiong Qi gave Qin Yixiao a claw. After Qin Yixiao dodged, he used his spiritual imprint. Qiong Qi's huge body started to tremble, but it still continued to attack Qin Yixiao.

Yun Chujiu's eyes flashed, and she jumped forward to attack Qin Yixiao with several small spiritual pigs. Xue Li and the others also reacted and started to attack the remaining people of the Netherworld Hall.

Even though Qiong Qi's figure had already begun to fade, he still roared loudly, "Taking advantage of others' Danger? Little Fairy, you are indeed a great villain!"

Yun chujiu did not know whether she should cry or laugh! This Qiong Qi was really a clown!

Qin Yixiao had to divert his attention to deal with Yun Chujiu, so the speed of wiping out Qiong Qi had slowed down. Qiong Qi's ferocity was aroused, and he gave Qin Yixiao a claw!

Qin Yixiao hurriedly dodged. His intestines were green with regret. He originally thought that it was to release a great killing weapon, but he didn't expect that although the great killing weapon was a great killing weapon, it was a great killing weapon that didn't help. It was simply infuriating!

Qiong Qi only had one goal in his heart, and that was to kill his master! Only in this way could he be worthy of the infamous name of the ancient fierce beast!

Therefore, he ignored the danger of his remnant soul dissipating, and attacked Qin Yixiao with his left Claw and Right Claw.

How Could Qin Yixiao be a match for Qiong Qi? After a few rounds, he was killed by Qiong Qi's claws!

Qiong qi laughed evilly, "Hahaha! hahaha! I did it! I finally succeeded in killing my master! I'm the leader of the Beasts!"

Yun Chujiu's eyes flashed. Should I accept this idiot?
