

The Yun Family's Ninth Child is an Imp! Chapter 1611

Yun chujiu thought of the Tao Wu that she had accepted before. It was also a troublesome product. She might as well accept this idiot and use it to restrain Tao Wu in the future.

Yun chujiu thought of this and secretly took out an ancient green jade bottle. She opened the bottle cap and hid the jade bottle in her sleeve, then, she shouted to qiong qi, "Qiong Qi, you have succeeded in killing your master! You are barely worthy of the name of a ferocious beast now. You can rest assured and die!"

Qiong Qi's figure had now become the size of a calf, and it was very faint. Hearing Yun Chujiu's words., qiong qi laughed strangely, "Little girl, you are indeed evil. I like you very much. Before I die, I will also take you away!"

As Qiong Qi said that, he rushed towards Yun Chujiu. Everyone could not help but be dumbfounded. Yun Chujiu, do you owe me? This Qiong Qi was about to disappear completely. Why did you provoke it? But now, it wanted to drag you down with it!

The most shocking thing was that Yun Chujiu did not Dodge. She even waved at qiong qi, "Bah! Go and Die! I haven't lived long enough! Look at my little Jiu's Thunderbolt!"

Yun chujiu raised her right hand and shot a purple lightning at Qiong Qi. Qiong Qi did not expect Yun chujiu to suddenly attack and was struck by the Lightning, qiong Qi let out a miserable cry, "You, you are really bad. You are even worse than us beasts!"

Then, everyone realized that Qiong Qi had disappeared. Everyone thought that Qiong Qi's soul had already dispersed. Yun chujiu secretly plugged the bottle cap and then put away the ancient jade bottle.

Qiong qi and Qin Yixiao were both dead. The people of the Tianyuan continent naturally would not let the remaining people off. Furthermore, the array core of the sect protection formation had already been destroyed. Di beiming and Xue Wuji had also rushed over with reinforcements.

Qin Mingzhu's expression was ferocious as she rushed towards Yun Chujiu. "B * Tch! It's all because of you! If it wasn't for you, my family wouldn't have been destroyed. I want to kill you!"

Yun chujiu said indifferently, "Qin Mingzhu, did I ask you to drug me? Did I ask you to incite your father to collude with the Netherworld Hall? Your selfishness and vanity harmed yourself and your father. Therefore, the main culprit for all of this is your greed and viciousness!"

"No! You're talking nonsense! It's all your fault! I'm going to kill you!" Qin Mingzhu attacked Yun Chujiu as if she was crazy.

Yun chujiu sneered. She was too lazy to fight with Qin Mingzhu. She directly said to Bai Li, who was beside her, "Old Master Medicine King, I'll leave this little B * Tch to you. I'm too tired!"

Bai Li, Qing Tian..

Although Bai Li Qing Tian's heart was like a muttering dog, he could only follow Yun Chujiu's instructions and slap Qin Mingzhu.

Qin Mingzhu was no match for Bai Li Qingtian. In just a few rounds, she was killed by Bai Li Qingtian.

Yin Qinghua and Yin Qingbo were also killed by Xue Li and the others. Only the people of the Netherworld Hall were still struggling with the power of the netherworld. However, it was only a matter of time before they were killed, this was because their number was much smaller than the number of people on the Tianyuan continent.

Dharma Protector Zhao gritted his teeth. It seemed that the tide had already turned. It was better to save his life than to leave the green mountain with nothing to burn.

Thinking of this, Dharma Protector Zhao bit his index finger and formed a seal with his hands, disappearing from the spot.

Once Dharma Protector Zhao left, the remaining members of the Netherworld Hall were leaderless. Soon, they were either killed or captured by di beiming and the others. The catastrophe that was supposed to be on the Tianyuan continent came to an end just like that.
