

The Yun Family's Ninth Child is an Imp! Chapter 1612

However, Yun Chujiu was feeling a little uneasy. The method that Dharma Protector Zhao used to disappear was extremely similar to the secret technique of the Divine Devil Hall. Could it be that this so-called hall of the Netherworld was related to the Divine Devil Hall?

Although Yun Chujiu was feeling uneasy, she still had to deal with the aftermath first. She could only temporarily put this matter to the back of her mind.

Everyone began to clean up the battlefield, xue Wuji jumped in front of Yun Chujiu. "Little Sister Jiu, you're too ungrateful! "You've solved all the problems, making me look so useless! "Originally, I wanted to kill everyone, but now, I'm not helping at all."

Yun chujiu smiled brightly. "Brother Wu Ji, there's nothing I can do. Who asked me to be so amazing? ! Now, even dark clouds can't hide my talent!"

When everyone heard that, Yun chujiu's glorious image in their hearts instantly crumbled. Little Fairy Jiu, is it really alright for you to be so narcissistic?

The aftermath of the incident could not be completed in a day or two. After this incident, the Gui Yuan sect and the Yin family had to re-elect the family head. If things went wrong, there might even be an internal conflict. Yun chujiu and the others naturally could not interfere, so they all bid their goodbyes.

The few elders of the Gui Yuan sect urged them to stay, and then they took the opportunity to agree. They did not have the mood to entertain these people at the moment, so they were fully prepared to fight for the position of sect leader.

Yun chujiu thought of Zi Heng and his son, so she said to the few elders of the GUI yuan sect, "Elders, I have a presumptuous request. I wonder if you will agree?"

The few elders' hearts trembled. They had long heard that this Yun Chujiu was a wild goose that plucked feathers. What request did she have? Could it be that she wanted to blackmail us?

However, the Gui Yuan sect was in the wrong in this matter. The few elders had no choice but to bite the bullet and ask, "Little Fairy Jiu, if you have any requests, feel free to mention them."

"What are you all so nervous about?" "Don't worry, I don't want money!" "I just want two people from you. Manager Sun and his son from the canteen are old acquaintances of mine. I want to take them away. You Won't disagree, right?" Yun Chujiu said with a smile.

The elders heaved a sigh of relief. It turned out that they only wanted two people. Moreover, there was only one cook and one cripple. What was the Big Deal? Just give them to her.

“Little Fairy Jiu is really too polite. Since they are old acquaintances of yours, then you can take them away! Men, Call Manager Sun and his son over. take their identity jade tokens and let them leave with little fairy Jiu!”

Very quickly, manager Sun and his mother were brought over.

Di Linhan and the others were initially puzzled as to why Yun Chujiu wanted a pair of servants, but when they saw that delicate and handsome youth, they had a little understanding in their hearts. Although this youth’s legs were not very agile... , but this calm and bearing did not seem like an ordinary person, he probably had a background.

Manager Sun was scared silly by what had happened today. Fortunately, Zi Heng was there to comfort them. Yun chujiu smiled at them and said, “Aunt Sun, Zi Heng, come with Me!”

Manager Sun realized that the little girl in front of him was not daybreak at all. His heart was in a mess. What was going on?

Zi Heng smiled faintly and nodded. He took manager Sun’s hand and stood behind Yun Chujiu.

Lan Xiang and the servants who had bullied Yun chujiu were trembling with fear at this moment. They were afraid that Yun Chujiu would find trouble with them. Yun chujiu only glanced at them and ignored them. These small figures were not worth her revenge at all.

After the few elders of Gui Yuan sect sent off Yun Chujiu and the others, the first thing they did was to find the bodies of Qin Yixiao and Qin Mingzhu. Their purpose was very clear. They wanted to find their storage rings, many of the Gui Yuan sect's treasures and spirit stones should be in the hands of the father and daughter.

However, what shocked them was that their hands were empty and there were no storage rings at all. Could it be that someone was taking advantage of the situation? After interrogating the disciples, no one saw anyone stealing the rings. It was really strange. Where did their rings go?
