

The Yun Family's Ninth Child is an Imp! Chapter 1618

Yun chujiu looked at the expressionless di beiming and felt a little guilty. Oh No, she forgot to report it earlier. How could it be so coincidental that she cheated on him? Ah, no, she only came out once and was caught by him? What Bad Luck!

Yun Chujiu was already prepared for di beiming to fly into a rage. She did not expect di beiming to only lightly say, "I came to see you. Coincidentally, I heard that you and Young Master Lan were having a meal here, so I rushed over. Young Master Lan Won't mind, right?"

Lan Luochen and di Beiming's gazes intertwined in the air. Yun chujiu could faintly feel that there were flames shooting in all directions, lan Luochen's eyes flashed, "Since your esteemed self is willing to give you a favor, I naturally can't wait for it. Waiter, give me another set of cutlery!"

The waiter sent over a set of cutlery in fear and trepidation. Moreover, he sent over many dishes on his own accord. He stuttered, "Your esteemed self, your esteemed self, these are all given to you by our shop."

Di beiming nodded. It was as if the waiter had received a great favor. He almost jumped out of the room.

Yun chujiu pursed her lips. She felt sour in her heart. Seriously, she could be considered a celebrity now. Why didn't he gift her a few dishes?

In terms of looks, she was also a beauty that could topple countries and cities. In terms of spiritual power, although she was not as tall as the gigolo, she was still considered pretty good. In terms of contributions, she had also resolved the calamity of the Tian Yuan continent, okay? Why did they treat her differently?

The More Yun Chujiu thought about it, the more she could not figure it out. This fellow simply shouted, "Buddy, come in for a moment!"

That buddy was in the midst of the excitement of the revered one nodding at him. Yun chujiu shouted several times before he finally reacted and hurriedly entered the private room. "Little Fairy Jiu, what are your orders?"

"Cough cough! Buddy, there is something that I don't quite understand. You must answer honestly, otherwise, HMPH!" Yun Chujiu said fiercely.

The buddy's legs immediately went soft. Everyone knew that Little Fairy Jiu was a big killer now. It was said that even Qiong Qi said that she was a bad person. It could be seen how bad she was, he stuttered, "Little, little fairy jiu, please, please speak."

"What are you trembling for?" "As long as you answer honestly, I won't do anything to you." "I'll ask you one thing. Why didn't you give me so many dishes when Venerable Mao came?" "What is the difference between him and me?" Yun chujiu asked with a frown.

The corner of di Beiming's eyes twitched and he started to peel the shrimp shells for Yun chujiu expressionlessly.

The waiter was dumbfounded. What kind of question was this? He stammered for a long time but he could not say anything. Only when Yun Chujiu threatened him fiercely did the waiter stammer, "Your Excellency is the hero of our Tianyuan Continent."

"Nonsense! Then am I not a hero? I just resolved a great disaster!" Yun Chujiu said unconvinced.

"Yes, yes, you are a hero too! But, Your Excellency, your excellency is a god-like existence in our hearts. He is high up and respected by people, so, so..."

"Okay, I got it. You Don't have to say anymore. Go Out!" Yun Chujiu said angrily.

The waiter wiped the cold sweat off his forehead and quickly left. Damn it, he was scared to death. This little devil was too scary!

Yun chujiu already knew the reason for the difference in treatment from the waiter's words. Damn it, after all, it came down to two words — temperament!

Yun chujiu glanced at di beiming. Damn it, even peeling a shrimp shell had an aura of pretentiousness. Who Didn't know how to Act Aloof? She knew how to act too!
