

The Yun Family's Ninth Child is an Imp! Chapter 1619

Yun chujiu's temperament suddenly changed. She looked like a fairy who did not eat the mortal world. However..

"Little Jiu, my mother asked the canteen to specially make this for you. Why Don't you try it?" Di beiming put the peeled shrimp meat in front of Yun Chujiu.

This guy did not use chopsticks. He directly took a few shrimp meat and threw it into his mouth. He immediately smiled and said, "It's really delicious. Aunt Really Loves Me."

The corners of Di Beiming's mouth curled up. He still helped Yun chujiu peel the prawn without batting an eyelid.

Lan Luo Chen watched the interaction between the two of them. The anger in his heart kept rising and his entire person became somewhat gloomy.

However, in just an instant, he returned to his cool appearance, with a slightly provocative tone, he said to di beiming, "Your Holiness, I heard that a few days ago, Little Jiu relied on her own strength to resolve a disaster. I wonder where your holiness was at that time?"

Di Beiming's eyes darkened. He naturally knew the meaning behind Lan Luo Chen's question. It was no other than to say that he was useless and could not protect Yun chujiu.

Di beiming said in a deep voice, "Little Jiu has repeatedly fallen into danger, but I am powerless. I admit that I am indeed too weak. However, I will work hard to become stronger, so strong that I can protect little jiu from the slightest bit of harm."

Lan Luochen never thought that di beiming would admit that he was weak so openly. wasn't it said that di Beiming's personality was extremely cold and arrogant?

Yun chujiu was so smart, so she naturally heard the underlying meaning of the two people's words, she giggled, "I believe that Prince Charming will become more and more powerful, and I will also become more and more powerful. Cultivation is always about facing difficulties. If I don't experience some hardships, how can I become stronger? Let's not talk about this anymore. The dishes are already cold. Hurry up and eat!"

Di beiming and Lan Luochen saw that Yun chujiu wanted to change the topic, so they could not continue. Moreover, Lan Luochen was caught off guard by di Beiming's Frank Confession. The words that he had prepared were no longer useful.

Di beiming and Lan Luochen ate a few mouthfuls symbolically. Yun chujiu was eating happily. Before she left, she even packed the leftovers.

Yun chujiu grabbed di beiming's arm and hopped out of the drunken immortal restaurant. Lan Luochen looked at their backs coldly and turned around to leave.

Yun chujiu and di beiming strolled on the streets for a while and gained the envy of countless fangirls. Yun chujiu cursed in her heart, this evil world that looked at faces!

Wasn't the gigolo just a little better looking? Wasn't his figure just good? Wasn't it just a very pretentious temperament? Wasn't it already at the eighth level of the Supreme Being Realm? Wasn't it just a rich family? Wasn't it just a few small advantages? Did you all have to drool like dogs looking at Bones?

Yun chujiu rolled her eyes and gave di beiming a peck on the cheek. Then, she looked at those fangirls in a show of force. Yun chujiu seemed to hear the sound of someone's heart being broken. Only then did this fellow's heart calm down. Humph, to put it another way.., the performance of these people showed that my taste was good enough!

The two of them returned to the Long Wind Inn sweetly. Shopkeeper Qi respectfully let the two of them into the upper room and let them serve tea and snacks.

The two of them naturally lingered for a while, di beiming said to Yun chujiu with a serious expression, "Little jiu, what I said in the drunken immortal tower before was my true thoughts. You have been in danger many times, but I was unable to do anything. I blame myself very much. I'm still too weak."

Yun chujiu's face sank, "Prince Charming, there was an outsider here, so I didn't say much. Now, I have to talk about you!"
