

## The Yun Family's Ninth Child is an Imp! Chapter 1621

"It's just as I thought. It's really them!" Yun Chujiu said excitedly.

Di beiming was also very happy. Finding Yun Chujiu's foster mother would allow him to know the origin of the seed. Perhaps he could find a way to get rid of the guai Cao.

However, how could he save the two of them?

If the two of them were in the Tian Xuan continent, it would not be a problem. The key problem now was that they were in the Netherworld continent. Although there were some spies from the temple of Immortals there, it was extremely difficult to save them.

The SAINTESS Hall was located in the center of the Netherworld Hall. It would take a lot of effort to get a portrait of the SAINTESS, let alone to save Sheng nv in the Tian Yuan continent.

Di beiming and Yun Chujiu discussed and decided that the safest way was to kill Vice Palace Master Liu First and then think of a way for the SAINTESS to ascend to the position of Sheng NV. If that was the case, not only would the Saintess regain her freedom., moreover, it was also a good way to resolve the root cause of the peace between the Tian Yuan continent and the Netherworld continent.

Yun chujiu blinked her eyes, "Prince Charming, I have an idea. See if it works. The Netherworld Hall has invaded our Tian Yuan continent many times. Why Don't you gather all the major forces of the Tian Yuan

grand ceremony to attack the Netherworld Hall?”

Di beiming frowned, “Little Jiu, it’s not that we have never thought of attacking the Netherworld continent, but the spiritual energy in the netherworld continent is much weaker than our Tian Yuan continent. Our spies have been hiding for many years before they adapted to it. If the people of the Tian Yuan continent enter the Netherworld continent’s territory, their spiritual energy will be greatly reduced. Moreover, we don’t have the geographical advantage nor the people. There’s a high chance that we will return in defeat.”

“Prince Charming, I’m not done yet! “Bringing people to attack them is just a diversion. I’ll secretly sneak into the Netherworld continent and think of a way to sneak into the Netherworld Hall. I’ll help my mother turn the tables on them. When the time comes, we’ll attack from both inside and out and kill that Old Bastard, Vice Palace Master Liu. This is called cultivating in the open while hiding in the dark.” Yun Chujiu said proudly.

Di beiming’s face immediately darkened. “Little Jiu, what did I tell you before? Have you forgotten everything? You better put this idea out of your mind as soon as possible. I will never allow you to take risks alone! Your idea is feasible. I will send someone else to do it.”

Yun chujiu stuck out her tongue. “Prince Charming, I’m just making a suggestion! “I know it’s too risky, but my mother and father will only believe me if I go. Besides, I’m so smart. Your subordinates aren’t as smart as me!”

“No matter how many reasons you have, it won’t work!” “Let’s not talk about other things. Almost everyone in the Netherworld Palace has seen your portrait. You’ll be exposed if you go.”. “Even if your appearance isn’t recognized, your spiritual power will be easily recognized. Once you’re recognized, do

you still have a way to live?”? “So, you better get rid of this thought right now, or I will not forgive you!”Di beiming said with an even gloomier expression.

“I know! I know! I was just saying! It would be great if there was something that could change one’s appearance. As for spiritual power, I will not use it!”Yun chujiu pouted and said.

Di beiming was afraid that Yun chujiu would cause trouble, so he repeated it a few times in a very serious manner. Yun chujiu simply kissed her and finally stopped..

The next day, di beiming and Yun Chujiu did not go out for a stroll. The two of them continued to discuss the matters of the Netherworld Hall. At this moment, di Beiming’s voice transmission talisman started to vibrate. After di beiming sent his divine sense in., he smiled and said, “Little Jiu, my master is Here!”
