

The Yun Family's Ninth Child is an Imp! Chapter 1629

The waiter could not help but hesitate when he heard Jin Zhi's words. These rouge powder would cost at least tens of thousands of nether stones in total. That Lady was wearing average clothes, so how could she take it out?

Jin Zhi saw that the waiter's hand movements had become slower, she looked at Yun chujiu with disdain. "Ugly Freak, do you think this is a place where you can come? Can you afford it? Besides, with your ugly appearance, do you deserve such good rouge powder?"

Yun chujiu still ignored him and said to the waiter, "Just pack it up. I'm not short of money."

The waiter thought that at worst, it would be a waste of time. What if this girl was really rich? This was a big deal, so he quickly packed the few things that Yun Chujiu asked for.

After the waiter packed the things, he said to Yun chujiu, "Miss, please follow me here to settle the bill."

The cashier quickly calculated the price. "Miss, a total of 12,500 Netherworld Stones."

Jin Zhi's face was full of pride. "Pretend, let's see how you pretend this time!"

The other girls also had gloating expressions. This poor girl definitely wouldn't be able to take out so many netherworld stones. Let's see what she can do.

The waiter also looked at Yun Chujiu with a perturbed expression. He prayed in his heart, hoping that Yun Chujiu could afford it.

Yun chujiu frowned. "More than 10,000 nether stones? Did you calculate correctly?"

Jin Zhi immediately burst out laughing. "TSK! Do you think this is a run-down shop in your countryside? The things here are of course very expensive. People have to know their own worth. You are clearly a poor person, yet you still dare to come to the Fragrant Snow House. You are really asking for humiliation."

The other girls also burst out laughing. Their words were nothing but mockery and disdain.

The waiter sighed with a sad face. It was really a waste of time.

Unexpectedly, yun chujiu continued, "I thought the things from the fragrant snow house were very, very expensive. I didn't expect it to be so economical. I will transfer the nether stone to You Now!"

After saying that, Yun Chujiu transferred the nether stone to the cashier. The cashier's old face immediately smiled like a flower. "Thank you for your patronage, Miss! Xiao Shan, quickly hand the thing to this miss and give it away."

The waiter also turned from worry to Joy. He eagerly handed the big and small bags to Yun Chujiu. "Miss, you are welcome to patronize me again in the future. Take Care."

"This one hundred nether stones is for you. Miss, what I don't lack the most is money." Yun chujiu gave the waiter a tip of one hundred nether stones. Then, she strolled out of fragrant snow house without saying a word to Jin Zhi.

Jin Zhi's face was flushed red. Although Yun Chujiu didn't say anything, her face was smacked so hard that she wished she could find a hole to hide in.

Although the waiter and the cashier didn't say anything, Jin Zhi felt that they were all laughing at her. She stomped her feet and said, "I'm not buying anymore. Let's Go!"

The other girls also felt embarrassed. They followed Jin Zhi out of the fragrant snow house and discussed animatedly.

"I didn't expect that ugly freak to actually have so many netherworld stones on her. Truly detestable!"

“That’s right, but I reckon she’s just trying to make herself look fat. Maybe she spent all those netherworld stones just to compete with us.”

“Quick, look, isn’t that ugly freak inside the Brocade Garden? She actually went to buy clothes again! Brocade Garden’s clothes aren’t cheap. Could it be that she still has money?” A girl pointed at a shop not far away and said.
