

The Yun Family's Ninth Child is an Imp! Chapter 1631

Jin Zhi snorted, "Do you think I'm as poor as you? Buddy, how much is it?"

"Miss, it's 523,428 pieces of nether stones. I'll make the decision to erase the change for you. You just have to pay 523,400 pieces of Nether Stones." The Fat Guy laughed so hard that he couldn't close his mouth, the shopkeeper knew that I sold so many pieces of clothes, so he must have given me a lot of money as a reward. I'm Rich!

Jin zhi shouted in surprise, "What? 520,000? Why is it so much?"

The round-faced waiter smiled apologetically and said, "Miss, the clothes you chose are all the best products of our shop, and they are double the price. So the total is this money. If you are worried, you can calculate it yourself."

Jin Zhi was also competing with Yun Chujiu just now. She had never calculated how much these clothes cost. Now, she was a little dumbfounded. Although she had a lot of nether stones on her, she could not use them all to buy clothes.., there were many places that needed money in the future.

"You don't have the money to pay the bill? That's good. Which one can not be bought by you? I can buy it now." Yun Chujiu said with a smile.

Jin Zhi gritted her teeth. "Who says I can't afford it? Pack it up for me. I'll transfer the money right away."

The fat waiter was naturally eager to buy it. He said flattery and packed up the clothes and handed them over to Jin Zhi.

Jin Zhi endured the pain and paid the money. She was in no mood to stay any longer. She glared at Yun chujiu fiercely and then left.

Qing Lan glanced at Yun chujiu a few times before she left. She didn't expect this poor girl to be so scheming. She had made that Idiot Jin Zhi suffer.

Seeing that Jin Zhi and the others had left, Yun Chujiu pointed at a black and a white dress with a smile and said, "Buddy, I'll take these two sets."

The round-faced worker was already feeling a little guilty. Seeing that Yun Chujiu had picked two more pieces, he quickly wrapped them up for her.

The fat worker who was arranging the cloth curled his lips and said, "You don't have the slightest insight. Can such a person afford it? You're really blind!"

The round-faced waiter did not say anything. After wrapping the clothes, he brought Yun chujiu to pay the bill.

Yun chujiu gently pushed the fat waiter with her hand. "Excuse me."

The fat waiter pouted and moved to the side. He muttered, "You really put on a good show. It would be strange if you could afford it!"

Unexpectedly, Yun Chujiu not only transferred the nether stone to the cashier, but also said to the round-faced waiter, "This is 500 nether stones as a reward for you. Stick to your heart. You will become a very good businessman in the future."

The round-faced man was stunned at first, then he nodded excitedly, "Thank you for your advice, miss."

Yun Chujiu looked at the Fat Man coldly again. The Fat Man felt a chill on his body and his legs could not help but feel weak. Just when he thought that Yun Chujiu was going to kill him, he heard Yun chujiu chuckle, she left.

The Fat Man wiped the cold sweat off his forehead and spat. He cursed, "Bah! She's just a poor girl. Why are you pretending? !"

Before the Fat Man could finish his sentence, he suddenly screamed, “Ah, it hurts! Help! It Hurts!”

The Fat Man rolled on the ground in pain. Just when he was about to look for the doctor to take a look, the pain miraculously disappeared. He was a little scared. Did I get my retribution for looking at others?

Yun chujiu faintly heard the Fat Waiter’s Miserable Howl and curled her lips. ‘If I wasn’t afraid of stirring up trouble, I wouldn’t have let you off so easily.’

Yun Chujiu bought a lot of delicious food before returning to the Long Wind Inn.

Yun chujiu found the old man of the Heaven Lake and gave some of the food she bought back to the old man of the Heaven Lake. After she had a good impression of him, she returned to her room.
