

The Yun Family's Ninth Child is an Imp! Chapter 1633

Although the Netherworld wind-blade donkey looked a little rustic, its speed was still quite fast. Very soon, Yun Chujiu arrived at the registration place.

Yun chujiu was not worried that someone would steal such a low-level demon beast, so she found a tree, tied the donkey, and walked to the queue to register.

The registration place could be described as a sea of people. After all, the Saintess of the Netherworld Palace was of a relatively holy status. To be able to become a SAINTESS was like ascending to the heavens in one step, and it could also bring huge benefits to the family, therefore, almost all the girls who met the requirements came to register.

Although there were many people, there were also many disciples of the Netherworld Hall who were in charge of accepting the registration. Therefore, the speed was not bad. Yun chujiu randomly picked a team to stand at the end of the line.

The registration was obviously a preliminary screening. Some of the applicants with average looks were directly rejected. Yun chujiu could not help but feel lucky. Fortunately, I modified it a little. Otherwise, it would be easy for it to be rejected.

After more than an hour, it was finally Yun Chujiu's turn.

The disciple in charge of the registration looked at Yun Chujiu and felt that her appearance was not bad. Then, he handed Yun chujiu a form. "Fill out this form and receive the registration jade token."

Yun Chujiu was filling out the form when she heard someone exclaim, "It's you! Why did you change your appearance?"

Yun chujiu looked up and saw that the person who spoke was Jin Zhi.

Jin Zhi had already finished signing up, but they were about to see if there was anyone who posed a threat to them when someone noticed Yun chujiu.

"Look, that person is not bad looking and the clothes he is wearing are of high quality. I wonder what kind of background he has." A young girl pointed at Yun Chujiu and said.

Therefore, Jin Zhi curiously walked to Yun Chujiu's side. She wanted to see how she filled in the registration form. When she saw the words "Lin Chujiu" on it, she immediately exploded!

Yun chujiu ignored her and slowly filled in the form and handed it to the disciple in charge. The disciple was about to hand the jade token to Yun Chujiu, jin Zhi said loudly, "This ugly freak cheated! She doesn't look like this at all!"

Jin Zhi's words immediately attracted the attention of many people. The disciple in charge of distributing the jade token frowned. "Miss, what do you mean by this?"

Jin Zhi glanced at Yun Chujiu with disdain and said, "This Lin Chujiu originally didn't look good. I don't know what method she used to become like this. She cheated! She should be disqualified from the selection."

The disciple looked at Yun Chujiu's appearance carefully and said in confusion, "There is nothing wrong with this young lady's appearance."

"Humph! You let her wash her face so that you can see her original appearance. An ugly monster actually dares to dream of being the successor of the Sheng NV. It's simply wishful thinking!" Jin Zhi thought of the more than 500,000 nether stones yesterday, she simply hated Yun Chujiu to death.

Yun Chujiu looked at that disciple and smiled faintly. "Manager, is there a rule that forbids wearing rouge and powder in the registration rules?"

That disciple was addressed as manager by Yun Chujiu, and his heart was very firm. Compared to Jin Zhi's arrogant appearance, his heart was biased towards Yun Chujiu, he replied, "There isn't such a rule. Wouldn't it be normal for a girl to wear rouge and powder? This is your jade token. Please take it. Next!"

Yun chujiu reached out and took the registration jade token from her disciple. After thanking her, she prepared to leave. She did not expect Jin Zhi to be so anxious. She took out a basin of water from her storage ring and threw it at Yun Chujiu.

Jin Zhi thought to herself, "Ugly Freak, I'll Show You Your True Form NOW!!"
