

The Yun Family's Ninth Child is an Imp! Chapter 1645

When Mo Wanwan and the other two heard Yun Chujiu's words, they were dumbfounded. Shouldn't a normal person be encouraging and comforting them in such a situation? Not only was she not comforting and encouraging them, but she actually wanted to eat alone? This was too much!

Zhou Yinghan glared at Yun chujiu and said, "Chujiu, even if we're going to be eliminated, it's not a waste to eat something, right?"

Yun chujiu giggled. "Since you guys are going to be eliminated anyway, what's the point of eating so well? I've been implicated by the three of you. Shouldn't you compensate me?"

"What do you mean by you've been implicated by the three of us? You've been criticized too, alright? You're jumping around like a grasshopper, and you still have the nerve to criticize us?" Zhou Yinghan said angrily.

Yun Chujiu gave her a faint smile and then walked up with light steps. Zhou Yinghan and the other two were instantly stunned.

They did not know how to describe Yun Chujiu's posture. In short, they felt that she was very good-looking. In fact, she was even better looking than what Zhao Mama had demonstrated. It was as if there was something extra. Ah, it was a natural nobility, it was as if she was really the Sheng NV.

If Zhao Mama's posture was five points like Sheng NV's, then Yun Chujiu's posture was at least eight points like Sheng NV's. It was even more domineering than Sheng NV's.

Yun chujiu was done with her posturing, she bared her little white teeth. "Did you see that? I did that during the day for the honor of our collective, so I hid it. Initially, I wanted to help you correct your posture, but I didn't expect that you had already given up. Moreover, you were so stingy. You really let me down!"

Zhou Yinghan and the other two were dumbfounded. For the collective honor? It was to not make the three of them too embarrassed!

Mo Wanwan's thoughts were more open-minded and her heart moved, she immediately said in an obsequious manner, "Chuchu, good chuchu, we were just grumbling just now! With such a good teacher like you around, how could we possibly fail? You'll definitely help us, right? Chuchu is the kindest! Lu Qin, Yinghan, don't you think so?"

Lu Qin and Zhou Yinghan also reacted when they saw mo wanwan winking at them, one after another, they said, "That's right, Chuchu. We're just saying. How can we give up? Chuchu, let's eat some dry food. You can eat this stewed meat! Can you teach us how to walk after dinner?"

Yun chujiu giggled. "I'm just trying to stimulate you guys. Am I the one who eats alone? Let's eat together. We'll train more after eating!"

When Mo Wanwan and the other two saw that Yun Chujiu had agreed, they were so happy that they almost cheered. They repeatedly praised Yun chujiu, saying that she was kind-hearted and smart.

Yun Chujiu was secretly happy. The three little sheep really knew how to talk. However, what they said was the truth. She was originally a kind-hearted person. She was originally an intelligent person with unparalleled wisdom.

Xiao Heinia, MO..

After the four of them had eaten dinner, Mo Wanwan and the other two impatiently asked Yun chujiu to help them train their walking manners, yun chujiu waved her hand and said, "Actually, you all understand the gist of those actions. Do you know the reason why you failed?"

Mo Wanwan and the other two looked at Yun chujiu blankly. "Chujiu, what's the reason?"

"It's because of the sense of immersion!" "When you walk, you have to think of yourselves as Sheng NV, not Mo Wanwan, Lu Qin, and Zhou Yinghan!" "Sheng NV, when you walk, do you not have confidence?" "Sheng NV, when you walk, do you take Big Strides?" "Follow my instructions and try walking," Yun Chujiu said with a smile.
