

The Yun Family's Ninth Child is an Imp! Chapter 165

The black ray felt that it had received a great insult!

'This human and this bird are looking down on me!

'Can't you see those idiots trying their best to trap me?

'Why are you still in the mood to eat buns?! Are you that brave?!'

In a fit of anger, the black ray headed toward Yun Chujiu!

Yun Chujiu never expected that the dark ray would come toward her, and from the looks of it, it was going to kill her! Hence, she jumped up and out with a roar.

"Help! Help! It's trying to kill someone!"

"This damn thing is going to kill me. Hurry up and save me!"

"You were released by me, yet you repay kindness with enmity. You shameless bastard, you actually want to kill me!"

"I'm a good-for-nothing without any spiritual power. Don't you think that it would be unfair to kill me?"

...

Yun Chujiu shouted as she fled across the square. The dark ray chased after her relentlessly and seemed to have found some fun. It could have caught up to her in an instant, but it kept a distance that was neither too far nor too close to play with Yun Chujiu.

Master Xuanyuan and the others were worried that Yun Chujiu would be in trouble, but they were also afraid that the dark ray was luring the tiger away from the mountain. Once they withdrew their hands to save Yun Chujiu, it would take the opportunity to break out of the Spirit Radiance Star Formation.

Master Xuanyuan frowned. "Send ten people to help Yun Chujiu!"

Yun Chujiu, who was running away with her head in her hands, could not help but feel a slight warmth in her heart. Although there were many dregs in the Spirit Radiance Sect, Master Xuanyuan was still not bad!

When the dark ray saw that another ten people had come to catch it, it did not care at all. It seemed to be even more excited, so everyone's faces stiffened as they watched the scene in front of them.

The ten elders jumped up and down to capture the ray. While the dark ray dodged, it continued to chase after Yun Chujiu.

After a full hour of commotion, Yun Chujiu was furious!

"F*ck! You unspeakable thing! Don't you just want to kill me? Come and kill me! Even if I die, I won't spare you! I'll transform into a fierce ghost to pester you every day!"

Although Yun Chujiu said so, all the spiritual power in her body was gathered in her right hand. Once the dark light really made a move, it would take the risk of revealing its secret to strike her. 'I don't believe that other than me and Little Black, there are still people who aren't afraid of being struck by lightning.'

The dark light clearly did not expect Yun Chujiu to suddenly stop running and even dare to threaten it. It hovered in front of Yun Chujiu, seemingly wavering.

At that moment, the ten elders gathered around. The black ray seemed to be a little restless and the light on its body dimmed a little. No one noticed that a white light that was as thin as a needle separated from the black ray's body and hid between Yun Chujiu's brows.

Yun Chujiu was prepared to strike the black ray with lightning. Who would have thought that this thing could employ tricks!

After the white light disappeared between Yun Chujiu's brows, the dark ray completely dissipated and fell onto the green stone slab with a thud. It turned out to be a pitch-black short stick that was about a foot and a half long.

Elder Qu was the first to jump over and pick up the stick. "Haha! I never thought that I'd be able to see an immortal weapon in this lifetime... No, that's not right. Why doesn't this black stick have any spiritual energy? It looks more like a rolling pin! What's going on?!"

Everyone was shocked and gathered around. Master Xuanyuan took the stick from Elder Qu and examined it carefully. He realized that it was just an ordinary stick made of black iron!

What was going on?!

Everyone looked at each other in confusion. This stick was shining brightly before. How did it become a dull mortal artifact?
