

## The Yun Family's Ninth Child is an Imp! Chapter 1657

Soon, it was time for dinner. To everyone's surprise, the Netherworld Palace did not make things difficult for the contestants this time. The food was not only exquisite, but it was also enough for everyone to eat.

Everyone heaved a sigh of relief. They had been snatching food for ten days, and they were really hungry and scared.

After dinner, everyone had finished washing up. Mo Wanwan said, "What do you guys think will be our training content tomorrow? My eyelids keep twitching, and I keep feeling uneasy. We won't really be eliminated the day after tomorrow, right?"

Lu Qin sighed. "We're already very satisfied to be able to reach this step. After all, learning the power of the Netherworld will be of great benefit to us in the future. As for the rest, we'll just leave it to Fate!"

"What's the point of thinking so much? We'll take it one step at a time. Maybe the content of the training is our forte!" Zhou Yinghan said disapprovingly.

Mo Wanwan curled her lips. "Forget it! Our Strong Point? Whether it's our looks, family background, or spiritual power, we can't compare to others. What strong point do we have?"

Zhou Yinghan was instantly rendered speechless by Mo Wanwan's rebuke. He did not expect Yun chujiu to say faintly, "You guys have strong points. Moreover, it's a unique strong point."

Mo Wanwan and the other two were stunned. They asked in puzzlement, "What Strengths?"

Yun chujiu smiled brightly at the three of them. "Your strengths are me! hahaha!"

Mo Wanwan and the other two..

Chuchu, is it really alright for you to be so Shameless?

However, they thought about it for a moment. It was not impossible for them to say that. If it was not for Chuchu, they would have been eliminated during the etiquette test, not to mention the Netherworld power test this time, they had completely relied on Chuchu's shamelessness to pass the test.

"Chuchu, if that's the case, then we'll wait and see. Let's see what other surprises you can bring us with your strength," Mo Wanwan said with a smile.

"Don't worry. There are many surprises. We'll definitely be able to hold on until the end," Yun Chujiu said heroically as she patted her chest.

The four of them laughed a few more times before they finally calmed down.

Mo Wanwan and the other two had a very clear self-definition. They would be able to hold on for one more day. As for whether they could pass the third round of the test, that would be up to them.

The next morning, after everyone had breakfast, they went to the middle of the courtyard and formed a formation. They waited for Zheng Mama's arrival. They were both curious and nervous. What exactly were they going to train them about?

A moment later, Zheng Mama walked in, but there were dozens of guards behind her. They were all handsome young men, and there was no sign of inferiority in their movements, they were even more outstanding than the legitimate sons of large families.

"These guards are your sparring partners for the next two days. I'll give you 15 minutes. You can choose on your own!" Zheng Mama glanced at everyone and said.

The young girls immediately began to discuss among themselves. One of the young girls directly chose the most handsome guard, and the others also began to choose their own guards.

Yun Chujiu and the other three were naturally excluded, so after everyone had chosen their guards, the four of them randomly chose four guards.

Seeing that everyone had chosen their guards, Zheng Mama asked Tingmei and the others to register their names, then, she said, "These guards are not only your sparring partners, but they are also responsible for teaching you the Netherworld sword technique. In a while, you will learn the Netherworld sword technique from your guards. The assessment will take place tomorrow afternoon. Those who fail will be directly eliminated! "You can start learning on your own!"
