

The Yun Family's Ninth Child is an Imp! Chapter 1659

Even though you chi was on the verge of breaking down, he could only grit his teeth and persevere when he thought of the punishment of not completing the mission. In the end, it was not a sword dance at all, but a slow motion replay.

You Chi felt that time was really too slow. It was not easy for him to endure until he heard mei say, "Take a two-hour break at noon and continue practicing in the afternoon."

You Chi immediately sat down on the ground, panting heavily, yun Chujiu said with a smile, "You Chi, eat more for lunch. Play with me for another hundred and eighty times in the afternoon. I find that your sword dance is really beautiful!"

You Chi only felt a buzzing sound in his head. Oh God, what kind of sin did he commit!

The corners of Yun Chujiu's mouth curled up. She skipped back to the dormitory with lunch. Mo Wanwan came to Yun Chujiu's side. "Chujiu, did that guard offend you?"

Yun chujiu shook her head. "No, I don't know him. How could he offend me?"

"Then why did you torture him so much? I think he's so tired that he's sitting on the ground!"

“I’m learning swordsmanship. Don’t worry. These guards are in good health. They won’t be tired. After a short rest, they’ll be full of vigor!” Yun Chujiu said indifferently.

“One move at a time is effective. Can you learn it like this?” Forget it, I don’t care about you. Anyway, you’re full of evil ideas! Chuchu, tell me, why do you need these guards to teach us the netherworld swordsmanship one-on-one? Can’t we just get a guard to teach us?” Mo Wanwan asked in puzzlement.

Yun chujiu said faintly, “Naturally, there are considerations. The three of you just need to learn swordsmanship properly. Don’t see those guards acting like dogs and move your young girls’ Hearts!”

Lu Qin’s face turned red. “Chuchu, what are you talking about? We are learning sword techniques, not love. Why would we have thoughts that we shouldn’t have?”

“That’s right, Chuchu. I’m only concerned about how to learn the Netherworld sword technique well. Although those guards are pretty good-looking, who knows what they are up to? I’m not interested!” Zhou Yinghan said as she curled her lips.

“I’m just saying! Since you all know what’s going on, that’s great! In any case, just focus on learning the sword technique. Don’t think about all this nonsense!” Yun chujiu cursed in her heart, that Old Bastard, Vice Palace Master Liu, could it be that he was a pervert who was provoked by my foster mother back then? Arranging these guards to teach these young ladies one-on-one was clearly not good-natured.

Those guards were all good-looking, and they were also very elegant. In addition to the intimate contact during the teaching of sword techniques, some of the girls might be tempted. It was estimated that the girls who were tempted would most likely be eliminated.

Two hours passed very quickly, and everyone once again came to the courtyard.

The other guards were very happy to lead the girls to practice sword techniques. Only you chi forced a smile and said, "Miss Chujiu, should we learn some moves?"

Yun chujiu didn't say anything. She just took out a chair and sat down. Then, she looked at You Chi.

You Chi was a little scared by her stare. He could only grit his teeth and said, "I understand. I will continue to demonstrate the netherworld swordsmanship to you."

Yun chujiu smiled. "Let's begin! You have to maintain your standard. It Won't look good if you're too slow!"

You Chi wished he could strangle Yun Chujiu to death. I'm teaching you swordsmanship, I'm not a dancer! However, he didn't dare to express his anger, so he could only demonstrate the netherworld swordsmanship over and over again.

At night, You Chi was carried out of the courtyard..
