

The Yun Family's Ninth Child is an Imp! Chapter 1663

Zheng Mama's thoughts changed a few times. This Lin Chujiu was an orphan girl. Moreover, her spiritual power was very low and she was more obedient. She was indeed a good candidate, therefore, she said, "Don't worry. Those guards won't do anything to seek personal revenge. They will definitely vote according to your performance."

After saying that, Zheng Mama glanced at those guards. Those guards were not stupid, so they naturally understood that Zheng Mama was warning them.

These guards refused in their hearts. They really wanted to eliminate Yun chujiu, but Yun chujiu made it clear that she was deliberately slowing down. Moreover, her moves were not bad at all. It seemed that they had to pass!

If there was anyone who was the most miserable among them, it was naturally you chi. His mood had dropped from nine heavens to eighteen levels of hell. He had already predicted the dark days to come.

You Chi raised his hand unwillingly because he knew that if he did not raise his hand, Yun Chujiu would definitely torture him even more in the future.

The result of Yun Chujiu's test was — all votes passed!

Everyone's hearts were filled with frustration. What was going on? Why did Lin Chuchu say a few words and her slow sword technique passed all votes?

Jin Zhi immediately said, “Zheng Mama, Lin Chuchu’s swordsmanship is so slow. She is not qualified at all! I think this result is unfair!”

Shen Zimo also echoed, “Yes, her slow swordsmanship is useless against the enemy. She should be eliminated.”

Zheng mama coughed unhappily, “Did I allow you to speak?” Lin Chujiu made it very clear that she slowed down her speed so that the guards could see her moves clearly. There was no need to say more. The test is over. Dismissed!”

Although Jin Zhi and Shen Zimo were very unconvinced, they did not dare to talk back. When Zheng Mama left the courtyard, they immediately blocked Yun chujiu one after another.

“Well done, Lin Chujiu. I didn’t expect you to have so many tricks up your sleeve. You played your swordsmanship so slowly. Could it be that you are not familiar with swordsmanship at all?” Shen Zimo said disdainfully.

Yun chujiu smiled at them. “Yes, you’re right. I played so slowly because I’m not familiar with the moves!” Did the rules say that you weren’t allowed to slow down? No, right? If that’s the case, what are you dogs doing with rats? Are You Free?”

“You, you’re Shameless! You repeatedly exploited loopholes in the rules. You’re taking advantage of them!” Jin Zhi said angrily.

Yun chujiu was still smiling. “Yes, you are right. I am taking advantage of loopholes in the rules. I am taking advantage of them. Are you jealous? Unfortunately, you are not as smart as me. You Can’t learn it even if you want to!”

Jin Zhi wished she could go up and strangle Yun Chujiu to death. However, once she made a move, she would be punished and might even be eliminated, therefore, she could only gnash her teeth and say, “Lin Chuchu, I don’t believe that you can always find loopholes in the rules. Let’s wait and see!”

“Let’s not talk about waiting and see. Even if we wait and see, I’m not afraid of You! However, Jin Zhi, I have to say that your swordsmanship comprehension ability is quite good.” After saying that, Yun chujiu nimbly slipped past Jin Zhi, she happily went to eat.

When Jin Zhi heard Yun chujiu say that she had a comprehension ability towards swordsmanship, a strange sense of satisfaction rose in her heart. Jin Zhi gritted her teeth. Damn it, I must have been possessed! I Can’t be deceived by her flowery words. She must be afraid that I will teach her a lesson, so she said so.
