

The Yun Family's Ninth Child is an Imp! Chapter 1668

When You Chi and the others heard that Yun Chujiu had actually made such a vicious vow, they felt even more that this was a good girl who knew how to repay kindness. They had really wronged her in the past.

These guards now sincerely hoped that the final Victor would be this Lin Chuchu. Such a kind saint would definitely be able to treat them well in the future. If there was a chance, they would definitely help her.

After Yun Chujiu finished her favorability rating, she hopped and went to get some food.

When the guards saw Yun Chujiu taking out a big basin to get food again, they didn't mock her this time, instead, they said sadly, "Miss Chuchu, you must have suffered a lot in the past and suffered from hunger. That's why you cherish food so much."

"Yes, Miss Chuchu doesn't forget her original intention. What a good girl."

"You Chi, once you enter the Asura Array, you must do your best to protect Miss Chuchu. You must let her pass smoothly."

..

Yun chujiu, this fellow, did not know that her favorability rating had already reached the peak. After finishing her meal, she returned to the dormitory in high spirits.

Mo Wanwan and the other two followed closely behind and returned to the dormitory. “Chuchu, you scared us to death! Why didn’t you tell us that you don’t know the Gabriella Sword Technique?”

“Yeah, we would have taught you even if we didn’t sleep last night! Fortunately, those guards helped you, or else you would have been eliminated!”

“Oh right, you made that you chi suffer so much, why did they still help you?” Mo Wanwan and the other two did not believe any nonsense about the essence of the sword technique.

Yun chujiu blinked her eyes. “Maybe they think I’m Cuter! After all, it’s rare to see a girl as cute, kind, and beautiful as me! It Can’t be helped, beauty is welcome!”

Mo Wanwan and the other two..

The four of them had dinner, lu Qin said worriedly, “The four of us have the lowest spiritual power. We don’t know what level the demonic beasts in the asura array are at. Moreover, we can only use the netherworld sword technique and the azure falling sword technique. Can We Pass?”

Mo wanwan also echoed, "Yeah, I'm not sure. Fortunately, we won't really die in there. Otherwise, we'll really be finished!"

Yun chujiu blinked her eyes, "Come over here. I have a good idea that will let you pass the test."

Mo Wanwan and the other two immediately asked in surprise, "What Idea?"

Yun chujiu smiled and said, "To dig for potential from the inside!"

What the hell was digging for potential from the inside?

Mo Wanwan and the other two looked at Yun Chujiu in confusion, obviously not quite understanding.

"Don't forget that there are two of you going in. Besides you, don't you have a bodyguard? "You have to stimulate the bodyguard's maximum potential. Then, one plus one will be greater than two!" Yun chujiu blinked and said.

"Stimulate the bodyguard's potential? How do you do that?" Mo Wanwan and the other two still didn't quite understand.

“This will depend on your individual performance. For example, Wanwan can pretend to be cute. As for Lu Qin, pretend to be weak. As for Yinghan, the first two models are not suitable for you. It’s better for you to use provocation!”

Mo Wanwan and the others were stunned. Then, Zhou Yinghan slapped his thigh. “D * MN! Chuchu, you make it sound so nice. What BULLSH * t are you talking about? You’re just a Honey Trap!”

Yun chujiu waved her hand. “Wrong! This isn’t a honey trap. A honey trap used by a beauty like me is a honey trap. Ordinary-looking people like you are just a honey trap at most.”

Mo Wanwan and the other two..

Whose family did this shameless person belong to? Quickly bring her back! They didn’t want to see her again!
