

## The Yun Family's Ninth Child is an Imp! Chapter 1670

The four of them laughed and laughed, Yun Chujiu said seriously, "What I said just now is true. In this one and a half day period, you and your guards will be comrades. Only by gaining the other party's trust or arousing the other party's desire to win can you unleash your strongest combat strength."

Mo Wanwan and the other two seemed to be deep in thought. Yun Chujiu did not say anything more. After washing up, she lay on the bed and read her script happily.

The next morning, Yun Chujiu was once again dragged out of bed unwillingly.

"Chuchu, you're right. I'll think of a way to win you Yuan's trust and support. You're right. No matter what happens outside, you Yuan and I will be comrades-in-arms when we enter the Asura Array," Mo Wanwan said firmly.

"I'll also communicate with You Li," Lu Qin agreed.

Zhou Yinghan saw the situation and said, "F \* CK, alright then. I will also talk to You Qi. If he isn't willing to help me, I will use goading."

Yun Chujiu clapped her hands. "That's right! Unite all the forces that can be united. There is no eternal enemy, only eternal interests. As long as you all have the same goal, you will be temporary friends!"

Mo Wanwan and the other two were stunned by Yun Chujiu's words. Where did this chujiu come from? Although it sounded like nonsense at first, it made sense when they thought about it.

After breakfast, the four of them came to the courtyard, when Jin Zhi saw Yun chujiu, she immediately said with disdain, "Lin Chujiu, although you passed the Sword Technique Test, you won't be so lucky in the Asura array this time. Just wait to be eliminated!"

Yun Chujiu said with a smile, "Jin Zhi, it seems that I have to make a statement!"

Jin zhi frowned, "What is it?"

"I, Lin Chujiu, like men. Even if you deliberately attract my attention, I won't like you. So, don't come to my place for nothing in the future."

"You! You..." Jin Zhi had never met such a shameless person. She didn't know what to say.

Yun chujiu looked at Shen Zimo next to Jin Zhi. "Oh right, and you. I Won't like you either. So, stay away from me in the future."

“Lin Chuchu, you’re Shameless! Why would we like you? We Can’t wait for you to be eliminated. You Don’t have to show off. Just wait to be eliminated!”Shen Zimo said angrily.

Yun chujiu pursed her lips and ignored her. She stood in the group.

Soon, the guards and Zheng Mama arrived. Everyone followed Zheng Mama Out of the courtyard.

After walking for a while, they finally arrived at a desolate place. The ground was full of wild grass, as if it had been abandoned for many years.

Yun chujiu couldn’t help but frown. How could there be such a place in the Netherworld Hall? Wasn’t it usually a forbidden area that would look like this? Would a small test be carried out in a forbidden area?

Just as Yun Chujiu was puzzled, Zheng Mama took out a jade tablet. After forming a seal, a beam of light shot out from the jade tablet, and a round platform actually rose up from the ground.

“You will be teleported into the asura array if you stand on the round platform in turn,”Zheng Mama said while pointing at the round platform.

Yun chujiu thought it was interesting. Could it be that the desolation was to accentuate the eerie atmosphere of the asura array?

Jin Zhi and a guard walked onto the round platform first and disappeared in an instant. Obviously, they had been teleported into the asura array.
