

The Yun Family's Ninth Child is an Imp! Chapter 1676

The swamp iron-armored turtle wanted to escape when it saw the netherworld swamp poisonous frog. However, the speed of the Netherworld swamp poisonous frog was much faster than it, so it had no chance of escaping.

Soon, the swamp iron-armored turtle lost its ability to resist. It was sprayed by the poisonous liquid of the netherworld swamp poisonous frog onto its eyes and was on the verge of death.

“Lord Golden toad! Lord Golden toad! Leave the turtle with your claws!” Yun chujiu lay on the wooden board and shouted loudly.

The poisonous frog of the Netherworld Swamp was stunned and looked at Yun chujiu suspiciously, yun chujiu said, “Master golden toad, can you... can you give me a chance to serve you? Let me kill this little bastard with my sword so that I can express my respect for you!”

The poisonous frog of the Netherworld Swamp didn't think it was a big deal. After all, it wasn't afraid that this human girl would play any tricks, so it agreed graciously.

Yun chujiu finally managed to paddle to the side of the dying swamp iron-armored turtle, she stabbed her sword into its eyes. “Damn it! I told you to be disrespectful to Lord Golden toad! I told you not to bow down to me! I told you to be blind and not recognize Lord Golden toad! I'll kill you! Let me tell you, this is the consequence of offending Lord Golden toad! Do you know what it means to follow the golden toad, to go against it, and to die? “This is it! “In your next life, remember, don't provoke Lord Golden toad!”

The unlucky swamp iron-armored turtle was about to die, and Yun Chujiu's sword had taken its life. It was dead!

Yun chujiu gave herself thirty-two likes in her heart. She had completed one-twentieth of the mission, so she had to continue working hard!

The Netherworld swamp poisonous frog felt that what Yun Chujiu said just now was really too enjoyable, and it felt like it hadn't finished yet. It didn't matter, at worst, I'll just find a few more demon beasts and let this little girl kill them all., this way, I can listen to it a few more times.

Thus, the coolie poisonous frog went online and did its best to find the demon beasts. It left the last breath of the demon beasts for Yun Chujiu to kill and sing praises at the same time.

You Chi was dumbfounded in his heart. Right now, a few exclamations were repeating in his mind: AH? Ah! Oh My God! Oh My God! Really? It Can't be?

You Chi now felt that there was an eighty percent chance that his understanding of Yun Chujiu was wrong. Was this little pervert with a belly full of evil water really a kind little fairy?

The Netherworld swamp poisonous frog was indeed one of the strongest in this swamp. When the sky gradually darkened, Yun chujiu had already killed eighteen demon beasts. According to this speed, she would definitely be able to complete the mission by noon the next day.

At night, the netherworld swamp poisonous frog naturally had to return to its nest. Therefore, Yun Chujiu and you chi sat on the back of the Netherworld swamp poisonous frog and followed it back to the netherworld swamp poisonous frog's nest.

What surprised Yun Chujiu was that the netherworld swamp poisonous frog's nest was actually on a small piece of bare land. She did not expect that there would be such a small piece of land in this swamp.

Yun chujiu looked at the small piece of land for a moment. It was about five miles in circumference. There was a deep pit in the middle. It was probably the nest of the poisonous frogs in the Netherworld Swamp.

There were some plants growing in the other places, and there were some small-sized demon beasts at the edges. However, when they saw that the poisonous frogs in the Netherworld Swamp had returned, they all sneaked into the swamp.

The poisonous frogs in the Netherworld Swamp Let Yun Chujiu and you chi come down. They croaked a few times and jumped into the deep pit.

The poisonous frog was not worried that Yun Chujiu would escape. Under the dark night, the swamp was even more dangerous. If Yun Chujiu and you chi escaped, they would be courting death.
