

## The Yun Family's Ninth Child is an Imp! Chapter 1683

Finally, it was Yun Chujiu's turn.

Everyone's eyes were focused on her and you chi. This lin chujiu had not practiced her swordsmanship for the past three days and had even fallen out with her guards. She definitely would not pass the test.

As expected, Yun Chujiu's swordsmanship was very unfamiliar. You Chi was able to dodge her attack with almost no effort. You Chi was currently very conflicted. Should he go easy on her?

You Chi felt that if he went easy on her, the higher-ups would not spare him. However, if he did not go easy on her, Miss Chuchu would definitely be eliminated. Although Miss Chuchu was not as kind as she thought, she had already made a vow, if she became the successor of the Sheng NV, she would take care of the guards. What should she do?

"You Chi, stay away from me!" Yun chujiu shouted.

You Chi subconsciously jumped to the side. Then, there was no "Then". He jumped out of the competition area. Yun Chujiu won in a strange way!

The girls were stunned!

The guards were stunned!

Zheng Mama was also stunned!

How could this work?

You Chi, are you sure you are not here to make a joke? Lin Chuchu shouted, and you stopped? If she told you to die, would you die as well?

“Zheng Mama, that you chi is going easy on us! Otherwise, why would he jump out of the competition area just because Lin Chuchu told him to stay away?” Shen Zimo said loudly.

Zheng Mama also felt that something was wrong. “You Chi, tell me the truth. What’s going on? If you cheat openly, you know what punishment you deserve!”

You Chi’s face was calm. “Zheng Mama, I, you chi, can swear to the heavens. After Miss Chuchu shouted that sentence just now, I acted completely subconsciously. I really didn’t intentionally go easy on her.”

“Subconsciously? You’re lying! You listened to her just because she shouted?” Shen Zimo questioned.

Zheng Mama also felt that you chi's words did not make sense. She frowned. "You Chi, why did you subconsciously do that when Lin Chuchu shouted?"

You Chi's face showed a trace of embarrassment. "Zheng Mama, to be honest, I don't know how I offended Miss Chuchu. She is very annoyed with me. She doesn't allow me to be too close to her. She has been reprimanding me these few days, so when she said that, I subconsciously stayed away from her. "Everything I said is true. You can ask the others."

The guards said one after another, "Zheng Mama, we can confirm you chi's words. These few days, Miss Chuchu did not pay any attention to you chi. She also chased you chi to the northwest corner of the courtyard. She said that she did not want to see him."

"Tingmei, is that true?" Zheng Mama looked at tingmei.

"Zheng Mama, this is true. These three days, you chi has indeed been meditating in the northwest corner. Miss Chuchu is in the southeast corner. Yes, basking in the sun."

"In that case, Lin Chuchu, you should return to the team! I will announce the names of those who will be eliminated in fifteen minutes." The corners of Zheng Mama's eyes twitched, this Lin Chuchu was a big-hearted person, but such a person who did not seek improvement was a good choice.

After fifteen minutes, Zheng Mama began to announce the names of those who would be eliminated.  
“Zhao wanying, Liu Qiuyue, Chen Fei’er... Twenty-four of you will be eliminated!”

Zhao wanying and the others who had failed naturally had no objections. However, some of the people who had successfully forced the guards out of the competition zone had also been eliminated. They immediately refused to accept it!

“Zheng Mama, I clearly forced the guards out of the competition zone. Why are we eliminated?”

“That’s right. Why are we eliminated? This isn’t fair!”
