

The Yun Family's Ninth Child is an Imp! Chapter 1687

Soon, there was only one person left who had not taken the test. It was Yun Chujiu.

Jin Zhi and Qing Lan did not care. Even if Yun Chujiu could pass the test, the two of them could still get into the top three. Shen Zimo became nervous and stared at Yun Chujiu.

“Lin Chujiu, step forward!” Zheng Mama had a good impression of Yun Chujiu. Besides, she felt that compared to Jin Zhi and Qing Lan, this Lin Chujiu was more suitable for Vice Palace Master Liu.

Yun chujiu walked to the entrance of the palace unhurriedly, pushed open the two doors and walked in.

Yun Chujiu had already thought of a countermeasure. If she wanted to stay in there for a long time, she had to arouse the curiosity of that Bullsh * t spirit of the netherworld. That way, she could stay a little longer.

Therefore, the moment this fellow entered, he shouted loudly, “Spirit of the Netherworld, you’ve been deceived! You’ve been deceived so miserably!”

While Yun chujiu shouted, she was also sizing up the decorations in the palace. She saw that it was very empty inside. Other than a few columns, there were only green stone slabs on the ground. However, the patterns on them were very ancient and complex, there was a bit of a mysterious aura.

When Yun Chujiu saw that she was not immediately sent out, she was delighted. It seemed that it was effective. She had to continue working hard.

“Spirit of the Netherworld, TSK TSK. To think that your name is so domineering. You were actually deceived for so many years. I feel bad for you!” Yun Chujiu said like a cat crying a mouse.

There was still no reaction, but she was not sent out either, Yun Chujiu continued, “I don’t have any other good qualities. I’m just kind. I really can’t stand it anymore! To think that you, a spirit of the Netherworld, would be deceived by such a thing is simply not acceptable!”

Yun Chujiu rambled on, but there was still no response. Yun Chujiu estimated that it had been half an hour, and she was sure that she would be able to enter the top three. Therefore, she was too lazy to fool around anymore, she decided to start looking around the palace.

This palace looked pretty awesome, and there might be some treasures. It was not her style to enter the treasure mountain empty-handed. She wanted to look around.

She searched for a while and even knocked on the pillar, but she did not find any mechanism. It seemed that this place was just a decoration.

“DAMN! It’s so damn poor! The Grand Spirit of the Netherworld is actually so poor. It would make people laugh out loud, okay? !”

“Forget it, if there isn’t one, then there isn’t one! Send Me Out! I’ve stayed in this lousy place enough!” Yun chujiu saw that it had already been an hour and did not plan to stay any longer.

Unfortunately, there was still no reaction from the spirit of the netherworld.

Yun Chujiu suddenly had a bad premonition in her heart. Damn it, could it be that this damned spirit of the Netherworld wanted to trap her in here forever?

“Hey, spirit of the Netherworld, come here, let’s have a good talk about life and ideals!”

“Big Sister has a lot of delicious food here. Come out, I’ll give it to you!”

“F * ck! Come out if you have the guts! What kind of Hero is hiding in the dark!”

..

No matter how Hard Yun Chujiu tried, there was no reaction at all. Yun chujiu sat on the ground dejectedly. She did not expect that the spirit of the Netherworld would be so sinister!

This guy was really ambitious. He felt a little hungry and was about to take out some food from his storage ring. With a scan of his spiritual sense, he saw the item he found in the broken palace rules.

This fellow thought for a moment. Since she couldn't go out for the time being, she could take a good look at what this item was!
